Rolf Brown

Dear Rolf —

What a year! I can't tell you how  
well you've done in music this year and —  
in drama. Next year I know you'll make  
all state. Take care and keep in touch  
this summer. Dominus Vobiscum..

Truly — Richard Hawley

Rolf,

Take care of yourself this summer because  
 next year your friends have a hell of a year.  
 Next year your friends blow everybody away.  
 Your talent is unbelievable. I'm not kidding.  
 You've got to Graduate and get out of town to  
 a good school. You've helped me so much and  
 I appreciate it. Your acting has got to be  
 the best acting I've ever seen. Take care  
 Rolf. I'm gonna miss you. I'll be seeing  
 you around though. Hanging in there Buckaroo.

Rolf: We really didn't get to know  
 each other until late in the year. But  
 I'm glad I did. We had a bunch of fun  
 times, either working and/or drinking at  
 Mission hills. During the summer we  
 still love to get together with the gang  
 and all. Congrats go to you on the part  
 of the summer. I wonder if anything will  
 get "EVERYTHING" you want.  
 Take care & be good.

Love you  
 Forever  
 Resend  
 "B"!!

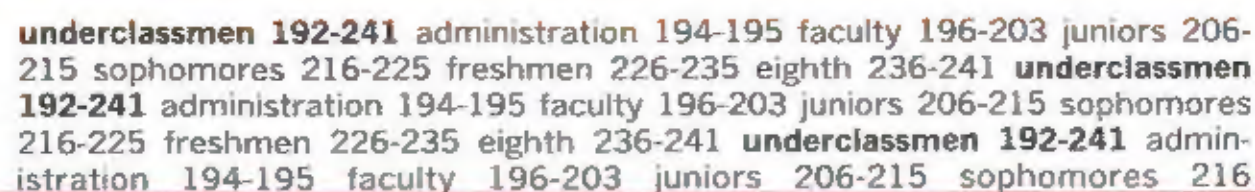

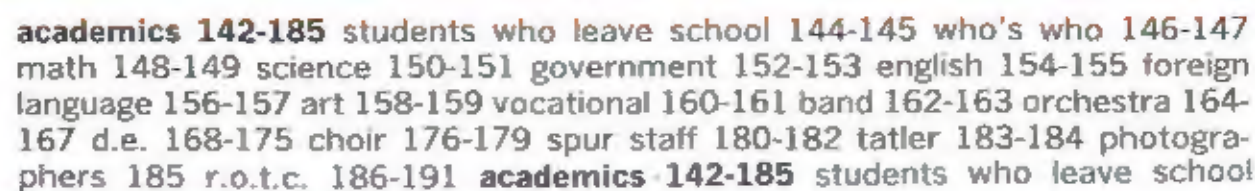

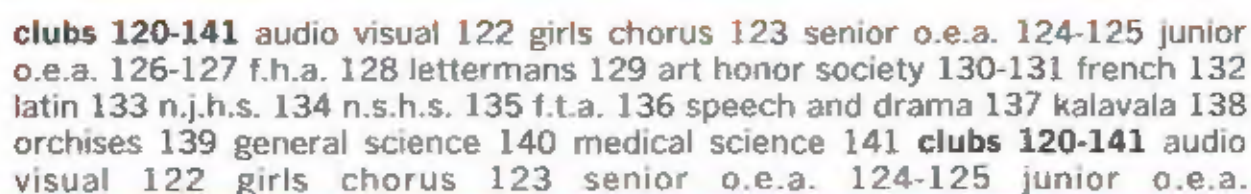

Dear Rolf, I can  
 make you turn  
 this yearbook upside down,  
 But you can  
 make you turn  
 it back. Really, you  
 are the best of luck and  
 my love. You  
 should be in  
 the G.I.  
 added Max all over. Best of luck and  
 my love. You  
 should be in  
 the G.I.  
 It has been nice knowing you,  
 especially when you were in the  
 hospital. Just kidding. Really, you  
 are the best of luck and  
 my love. You  
 should be in  
 the G.I.

# AT WORK...

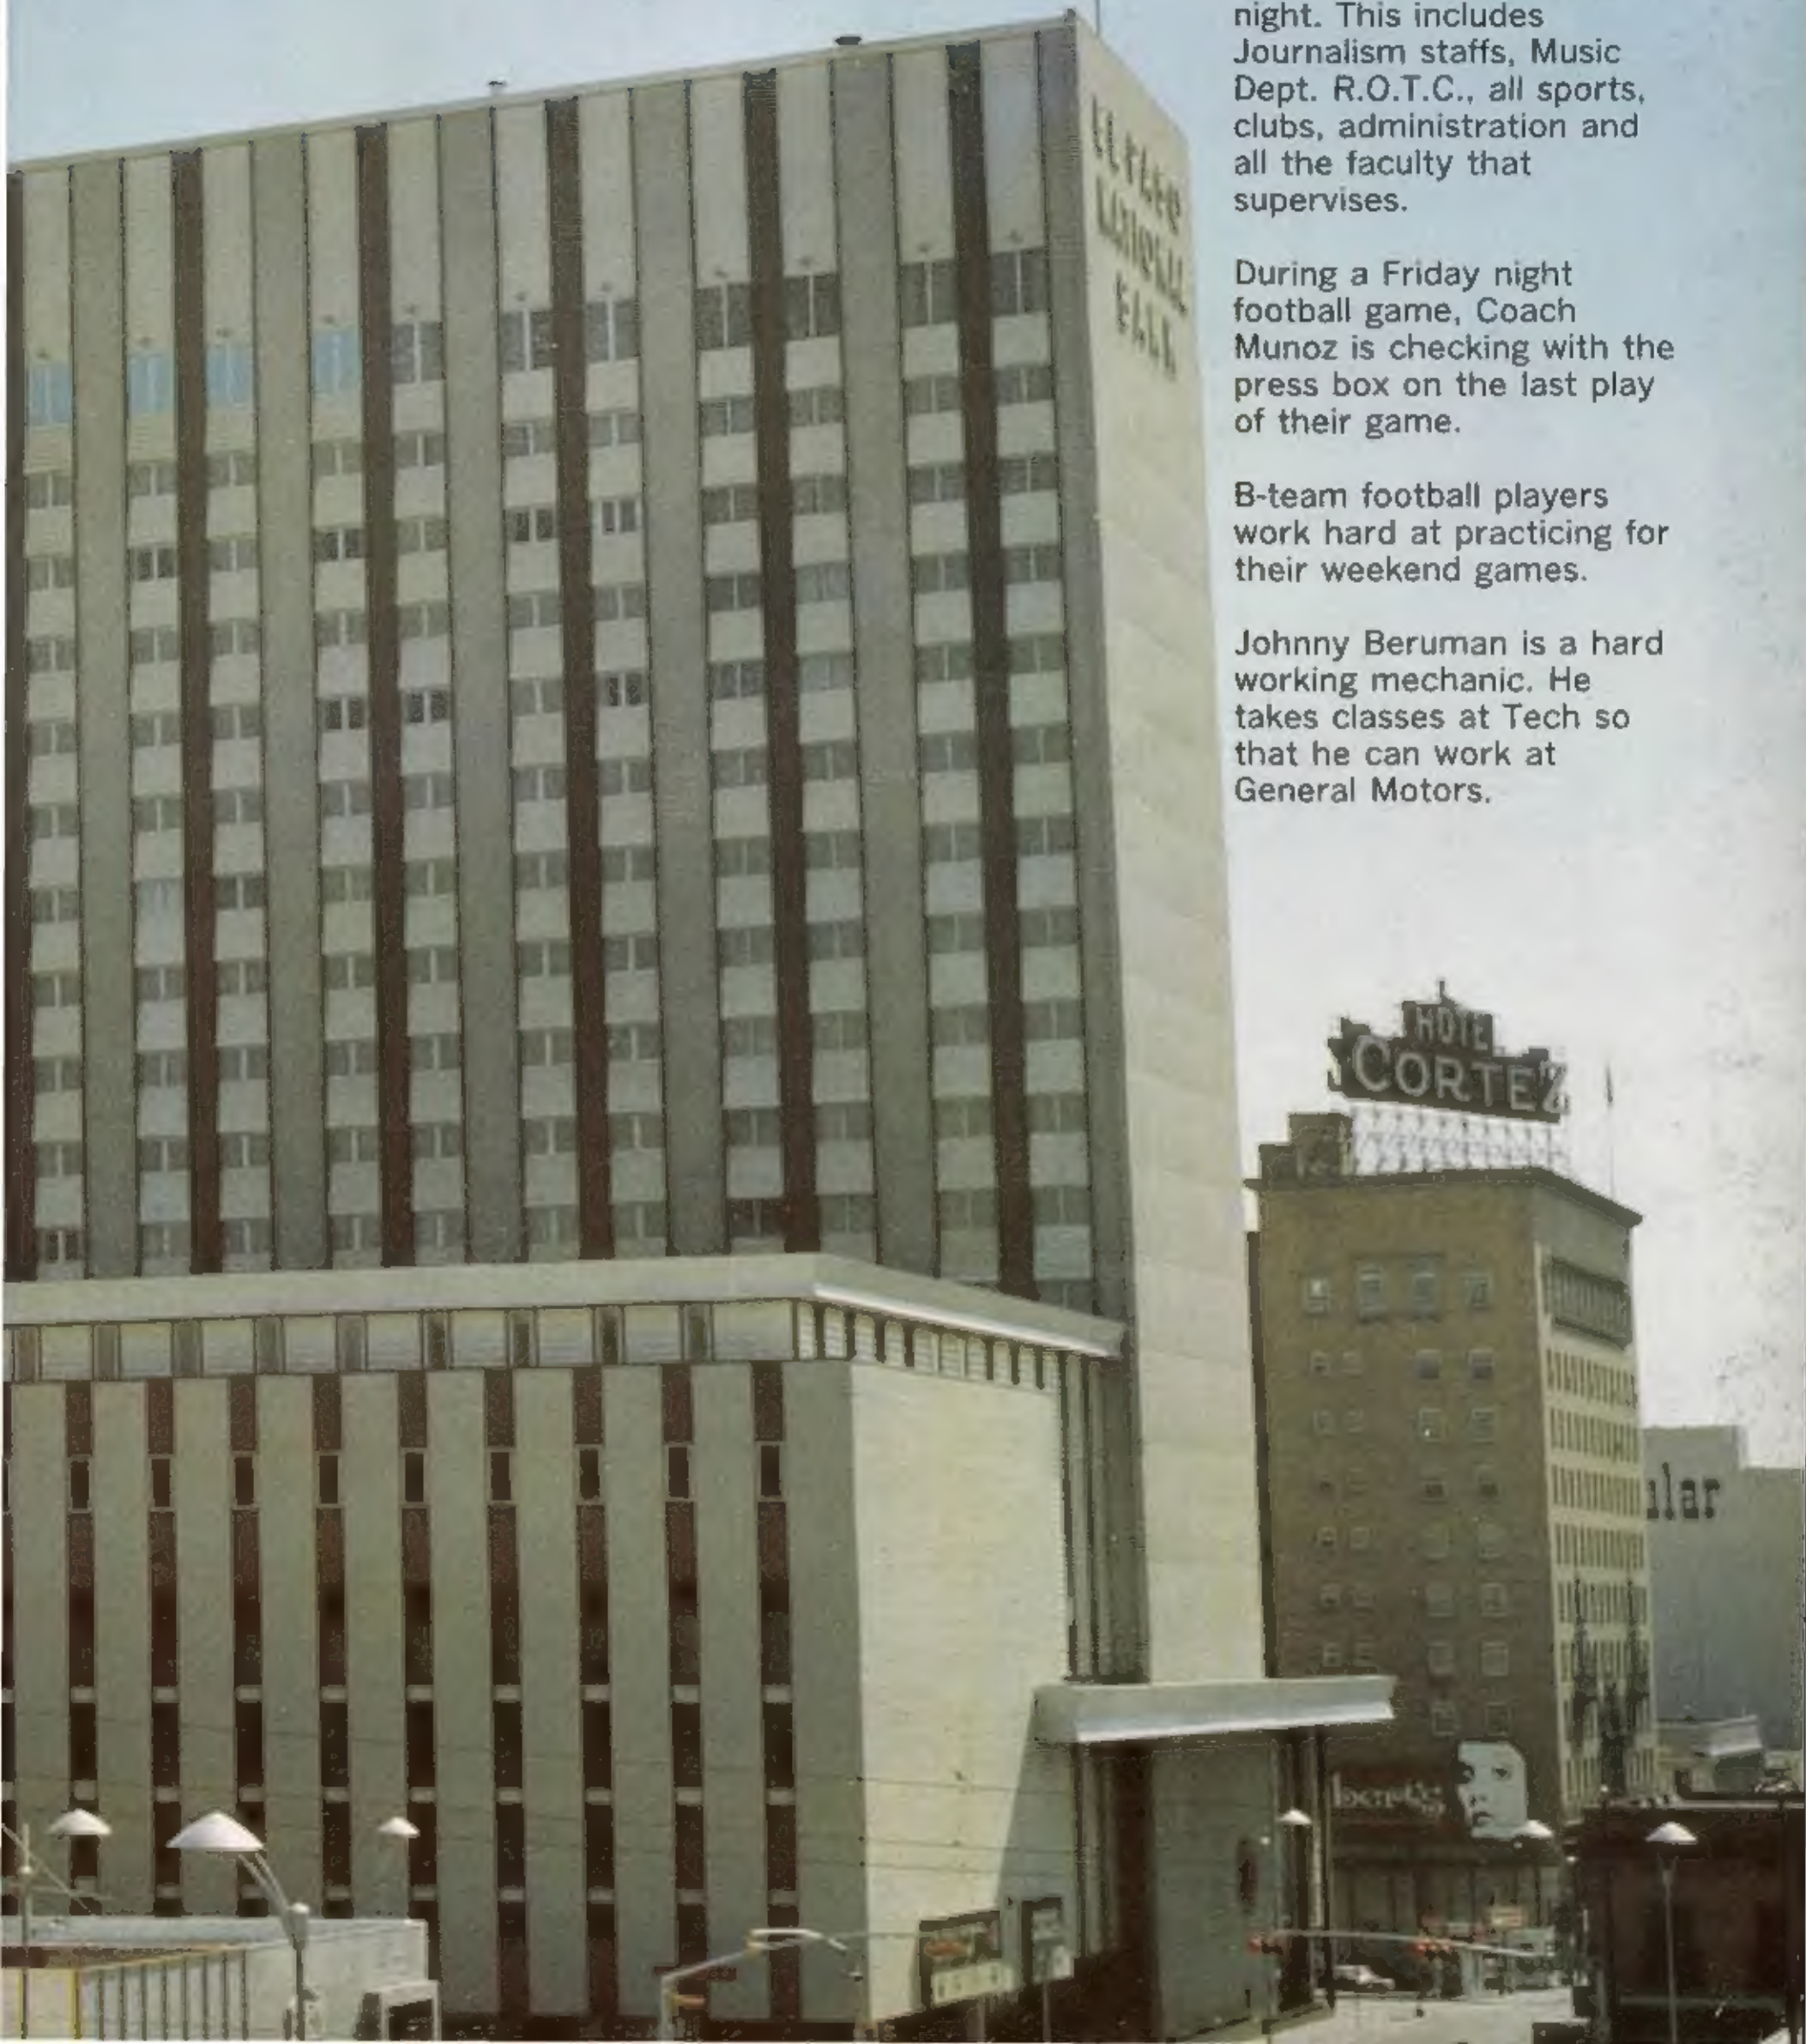

Opening 3

There are many hard-working students and faculty members here at school. They spend hours and hours working before school, after school on weekends, and into the night. This includes Journalism staffs, Music Dept. R.O.T.C., all sports, clubs, administration and all the faculty that supervises.

During a Friday night football game, Coach Munoz is checking with the press box on the last play of their game.

B-team football players work hard at practicing for their weekend games.

Johnny Beruman is a hard working mechanic. He takes classes at Tech so that he can work at General Motors.

# AT PLAY...

El Paso students are unique at having fun during free time. Nancy Villa finds it amusing when Louis Flores gives her a gentle shove onto the painted grass. She slowly gets up and realizes she is covered with paint.

Annie McAlmon and John Blaugrund demonstrate the

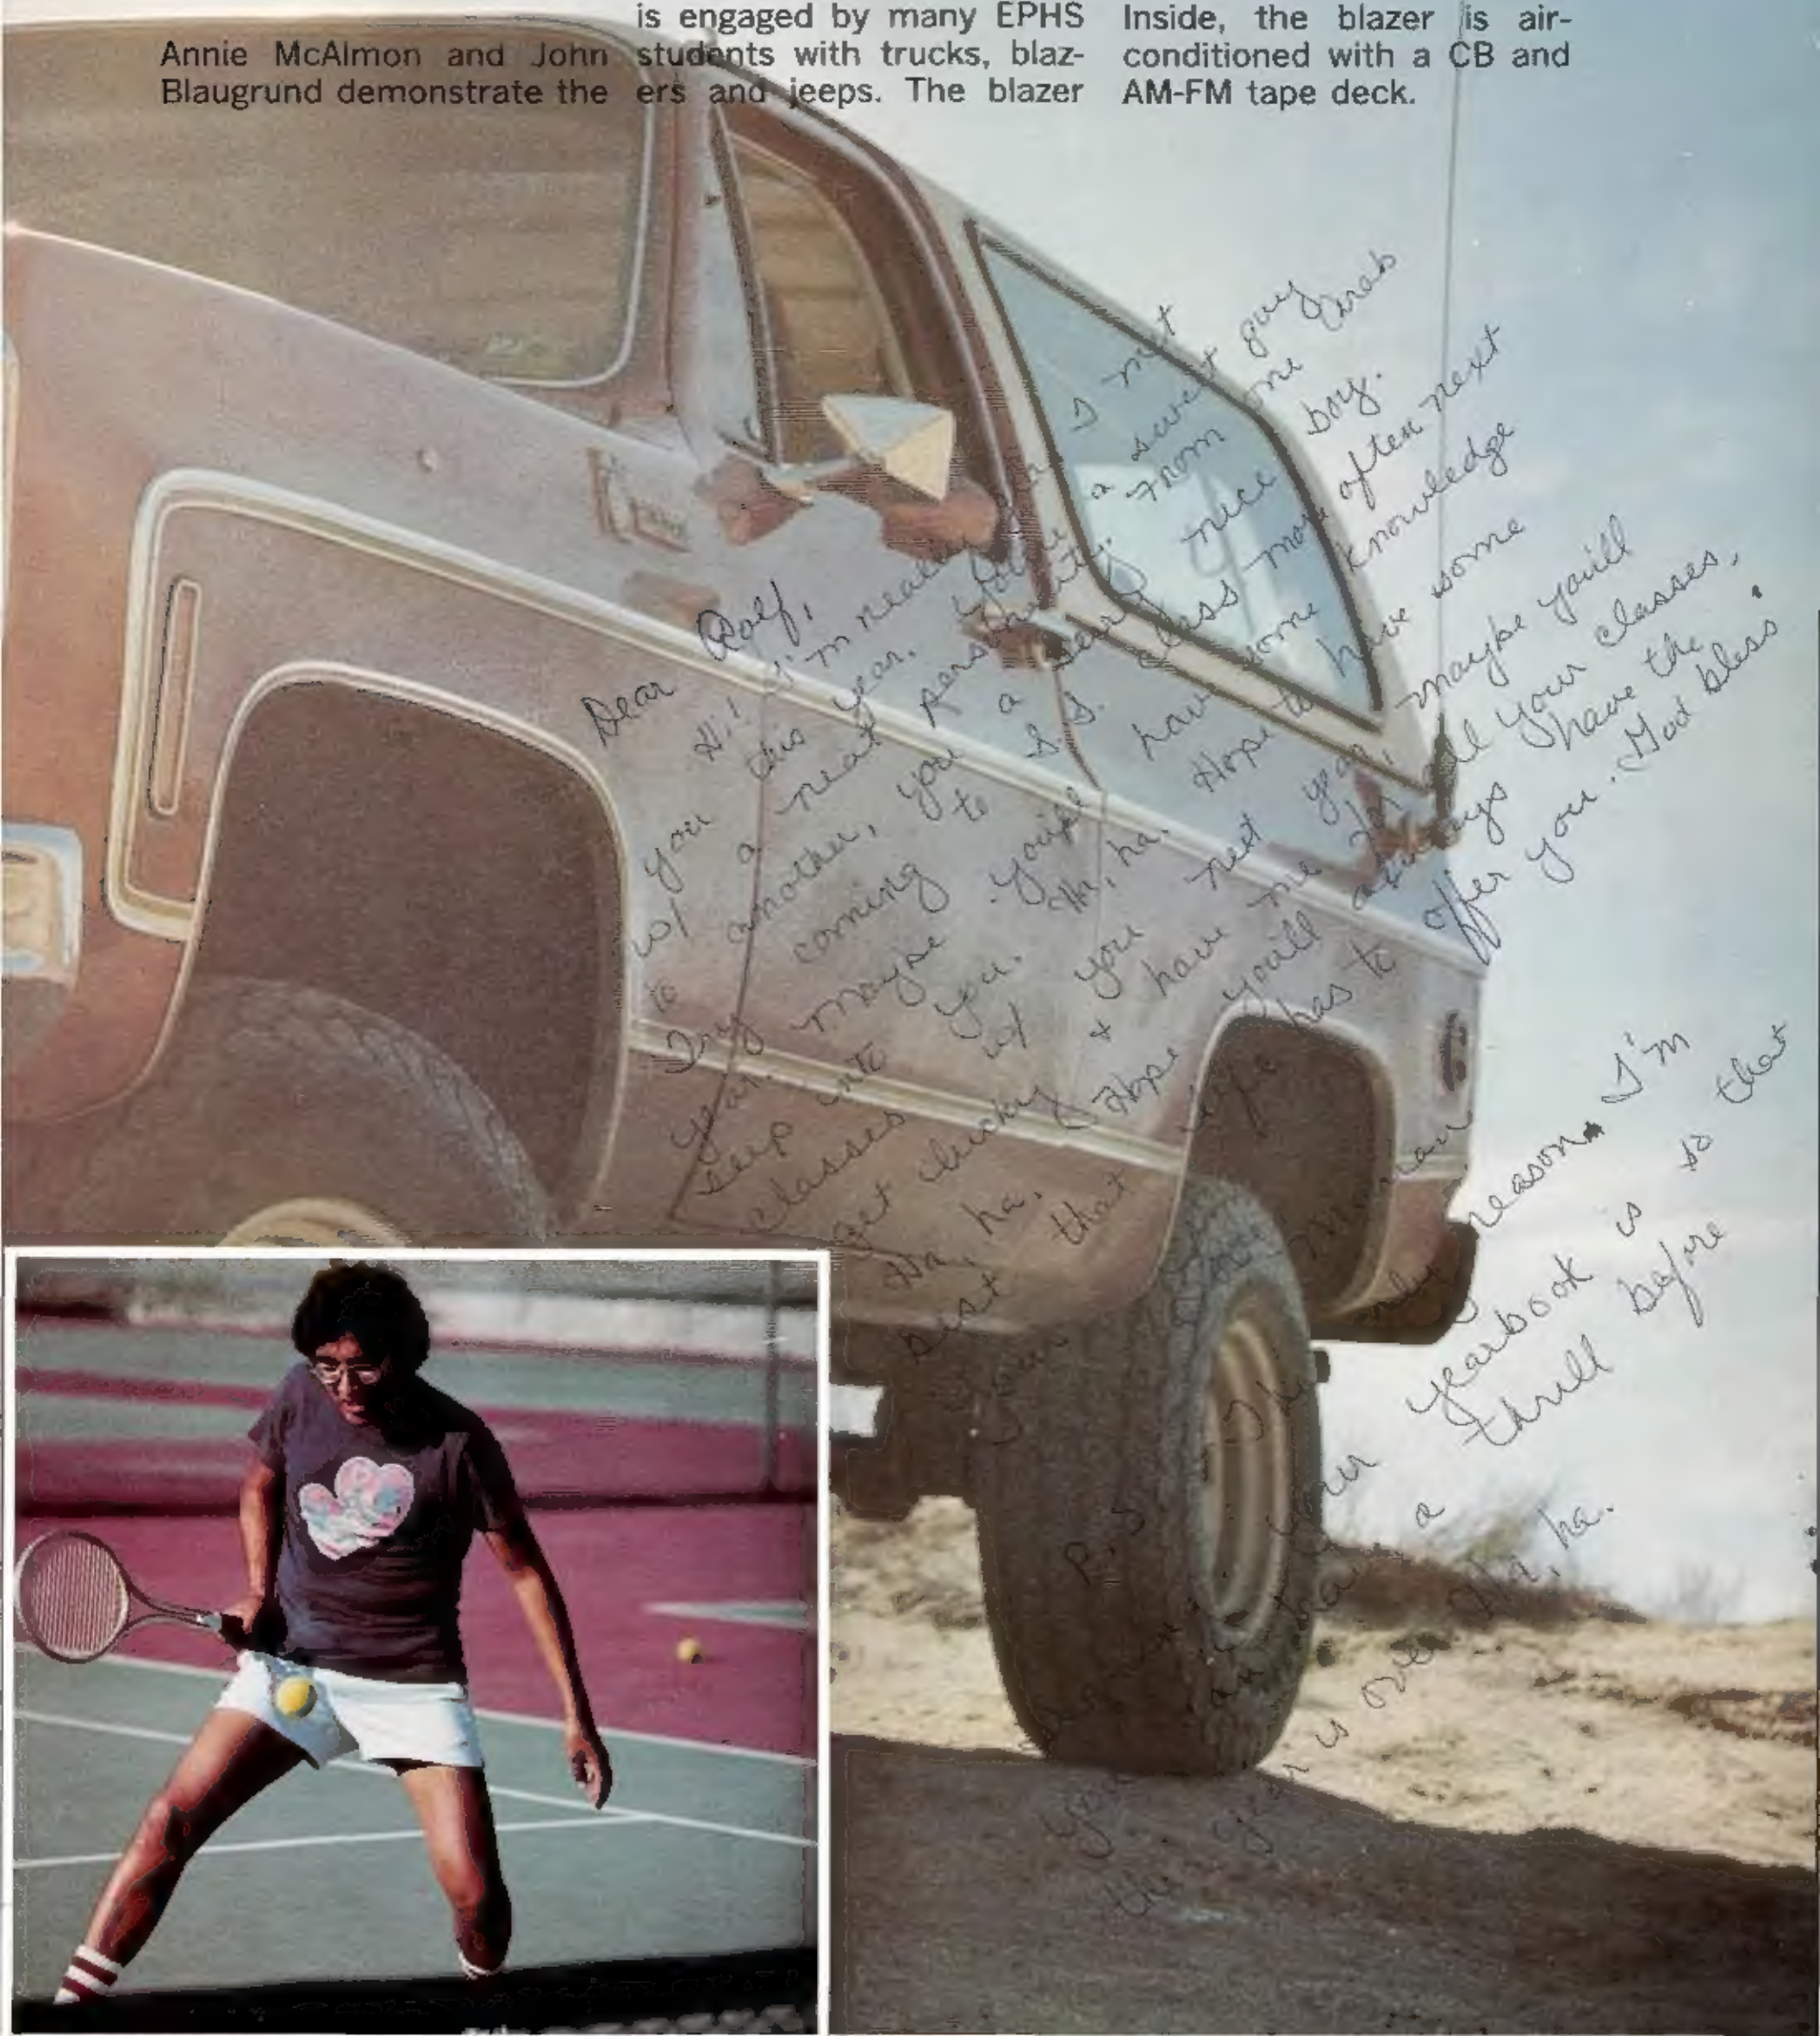

only way of having fun while visiting Stonehenge in England.

Sergio Montoya spends his free time playing tennis.

The ever popular 4-wheeling is engaged by many EPHS students with trucks, blazers and jeeps. The blazer

shown is Bobby Smith's pride and joy. It's a '77 Chevy 4 wheeler equipped with a Rough Country Suspension Kit, 400 V-8 engine, built in roll bar and alarm system.

Inside, the blazer is air-conditioned with a CB and AM-FM tape deck.

# AT NIGHT...

As the sun sets on El Paso High School students, the nighttime spirits rise and become higher throughout the night. Whether the party is at the levee, as shown at this Sigma bonfire held early in the fall, or at the park, or even in your own back yard, you can be assured that at least a portion of the student body is indulging at their favorite party.

The concerts in El Paso have included almost all the big rock, jazz, and country stars. Many smaller name acts have come to the Museum or civic center as a back-up, and a year or two later

find themselves the top billing attraction. Rush, shown in the lower left corner, is the typical example. The first time around they backed up Iron Butterfly, the second time with Ted Nugent, and even though the radio spots claimed Nugent to be the major attraction, Rush made Nugent look bad. The third time Rush finally made the number one spot with Max Webster and U.F.O. backing them up.

Mesa Beverage Depot, shown to the left, was the nighttime spot for over-18 students on a Friday night.

# AT SCHOOL

The students at El Paso High are what set us apart and above other El Paso schools.

Our 1,000 students are like 7,000 facets of a diamond. Together, they form a solid and beautiful whole, a strong and unified student body made up of a diverse and talented group of individuals.

Our school has a long and proud history of excellence in sports, academics, and arts. It is reflected in the success of Jimmy Brown, shown in the lower right hand corner.

On this year's college and career fair, Tom Koerner spent a long time trying to get his leg on for a headlock groin shot, and Lore Galaviz, a teacher, helped him.

His years of experience against Colorado featured a lot of good things, and a T-Birds lucky 13. He also had a gas drill, and a lot of fun. He played 'Car Wash,' and six varsity leaders washed away all the T-Birds from the car.

## STUDENT LIFE

# TRENDS TRANSCEND THE

**T**his year saw a wide array of fashions ranging from tie-up shoes to the popular hair combs.

Other signs of the times included vibram soles, cowl-neck sweaters, initial glasses, fooseball, backgammon, and frozen yogurt. Quite a few of our boys wore boots with tie-like vibram soles.

A number of girls brandished cowl-neck sweaters. These sweaters, characterized by oversized collars, came in a variety of colors and styles which made them very compatible and easy to match

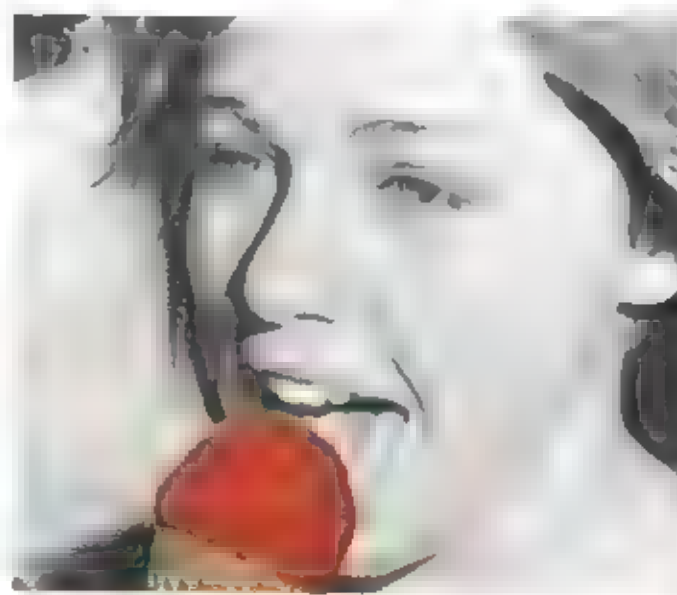

# TIMES

'Time Stands Still  
For No Man'

Some girls wore the sweaters with dressy pantsuits or jeans and tie-up shoes known as 'espadrilles.' Espadrilles are cloth shoes with long colorful laces which wrap around the ankles and calves.

Recreation-wise, three old but popular games experienced a resurgence this year. Skateboarding, fooseball, and backgammon proved once again to be popular comebacks for high school students.

**B**eing chosen homecoming queen was very rewarding because there are so many seniors girls who were just as qualified as I am. I feel greatly honored by this privilege,' said Homecoming Queen, Laura Baca

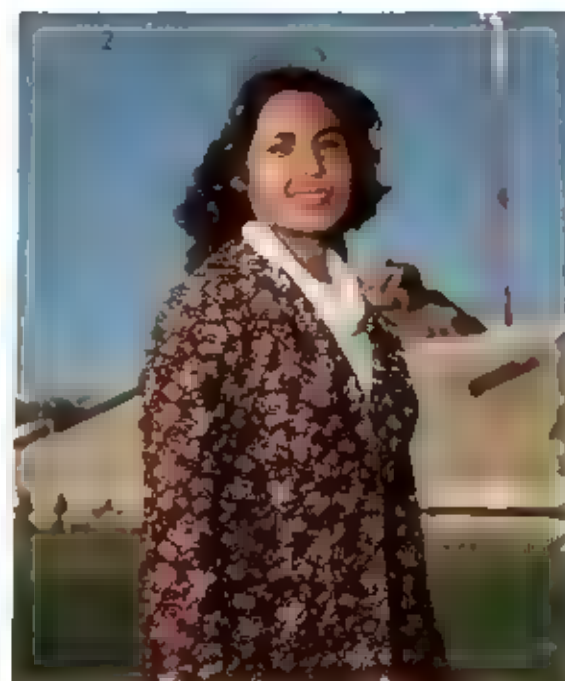

Laura and lady-in-waiting, Melanie Roberts, along with the classification duchesses and sweethearts were all presented at the morning assembly held October 21.

The 61st homecoming festivities were carefully planned by homecoming committee chairman Karen Tovar. Student Council Members adorned the gym and halls in orange and black creating a festive motif

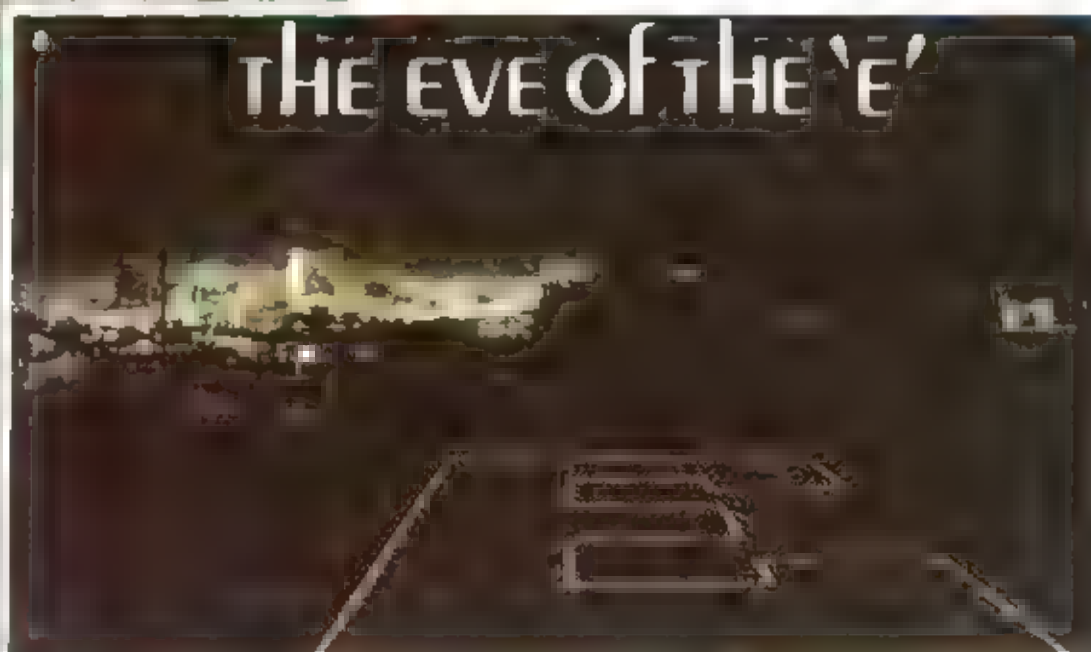

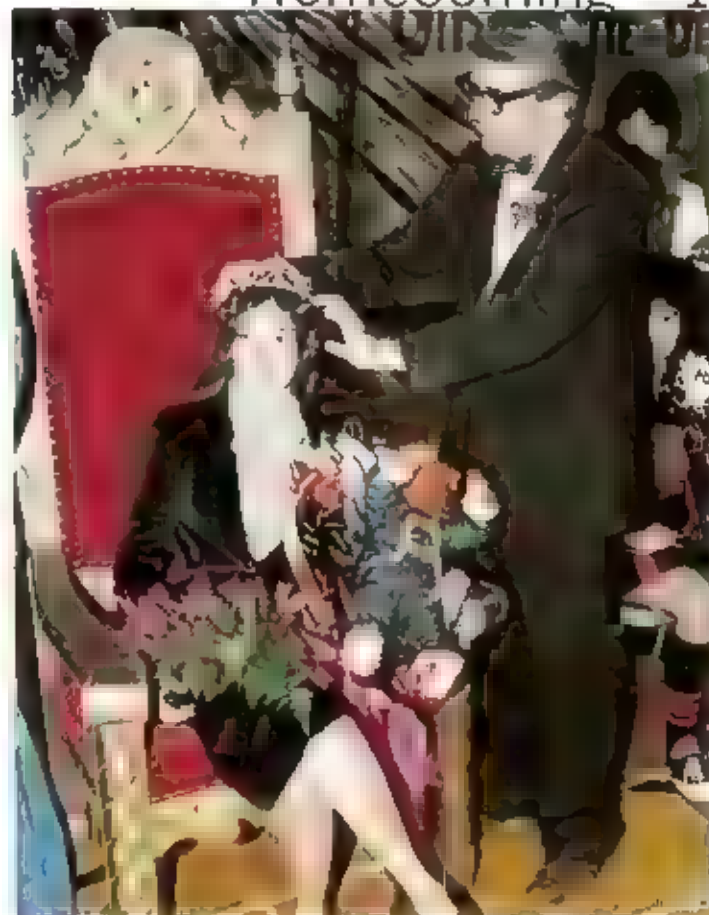

The year's Outstanding Ex was Mr. Toby Tovar owner of Tovar's Flower Shop and a graduate of the class of 1928

## QUEEN MELANIE

"Ten years ago when I was a child in the Spring Fiesta Court, I never dreamt that I would someday be bestowed such a momentous honor," said the 32nd Spring Fiesta Queen, Melanie Roberts.

Honored as lady-in-waiting was, Annette de la Torre who felt, "a deeper warmth for EHS," after she was chosen.

The traditional six princesses chosen by the student body were homecoming queen, Laura Baca; majorette, Racy Haddad and varsity cheerleaders, Becky Espinosa, Linda Jordan, Andrea Plaza and Lettie Villarreal.

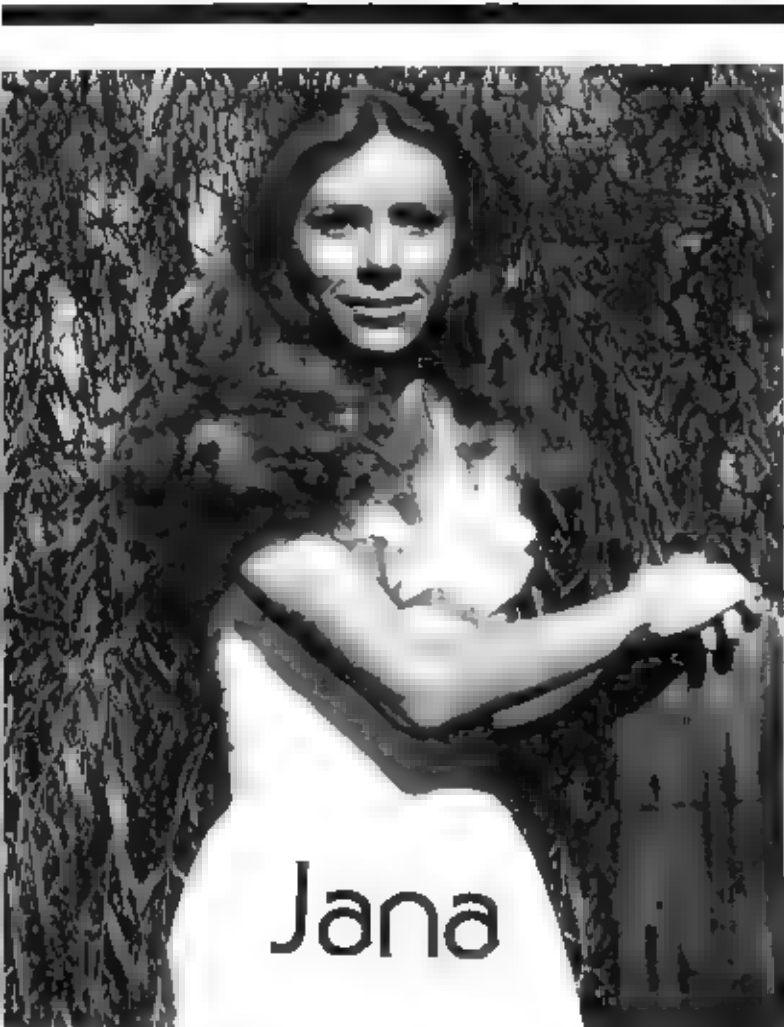

The Fiesta Court was presented at the Civic Center on April 1st. The theme of the beautiful pageant was, El Cirio.

Chosen from a field of 15 finalists the princesses are; seated, Lettie Villarreal, Andrea Plaza, Racy Haddad, standing, Linda Jordan, Laura Baca and Becky Espinosa.

## Five Fine Ladies

Five attractive girls were chosen by thier classmates to represent them at the annual Spring Fiesta

Being chosen duchess is a very prestigious honor as only one girl from each classification is selected

Karen Tovar was the seniors choice while Sandra Saucedo and sister Marcella were elected by the junior and sophomore classes. Jana Christian was honored as the Freshmen duchess while Terry Barragan was the eighth-graders' choice

This year's "Most Beautiful" pageant featured a bevy of beauties that would make any shiek proud to have as his harem.

The twenty-two finalists who graced the newly-remodeled auditorium, were presented by XEROK's, "Mad Mexican," Richard Ramirez.

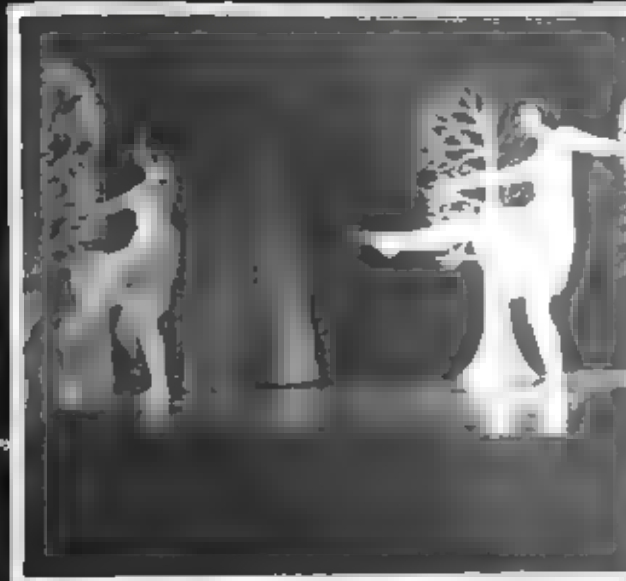

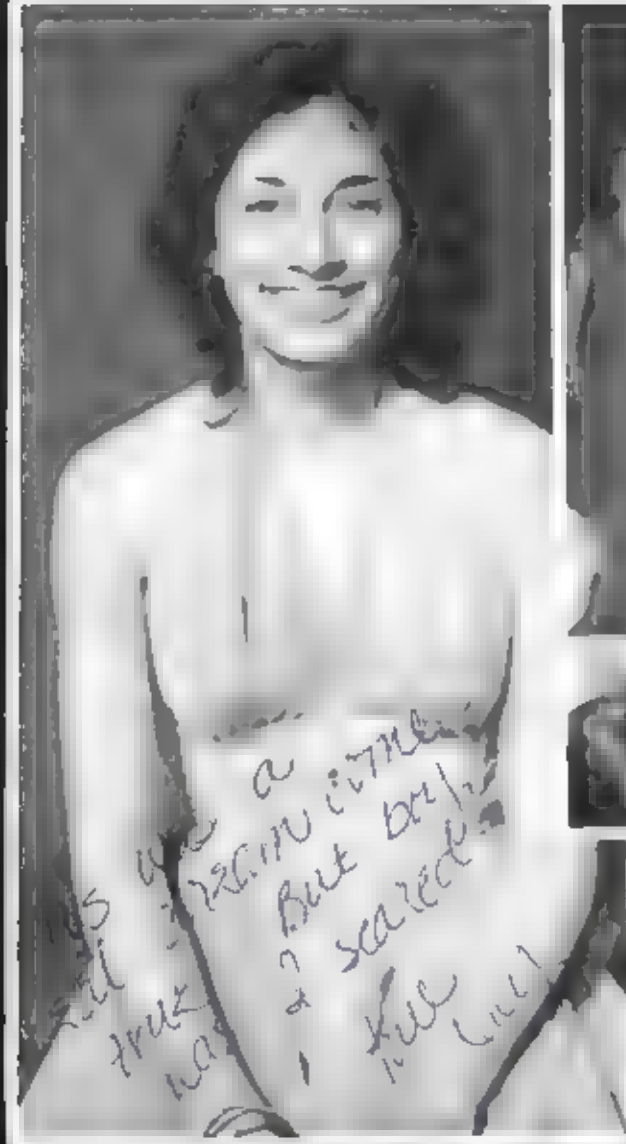

The annual pageant was sponsored by the orchestra, using the theme "You Light Up My Life." Entertainment was provided by the advanced modern dancers and stage band. Contestants modeled three outfits: a school dress, a pantsuit, and a formal evening gown. Judges kept their eyes out for poise, appearance and natural beauty.

From twenty-two finalists, ten semi-finalists were chosen. From there, the second runner-up, first runner-up and most Beautiful were announced.

Emily Blaugrund, chosen Most Beautiful, was very active during her high school years.

Emily participated in such activities as editor of the yearbook, golf team, Teen Involvement, Student Advisory and NJHS. She was also chosen Basketball Sweetheart and sophomore Spring Fiesta duchess. Sandra Saucedo was selected as first runner-up. Sandra was active in the French Club, FHA, Speech and Theater Arts Society, president of girls' choir, junior class treasurer and junior Spring Fiesta duchess. Racy Haddad was involved in varsity choir and was a Student Council program manager, majorette and Spring Fiesta princess.

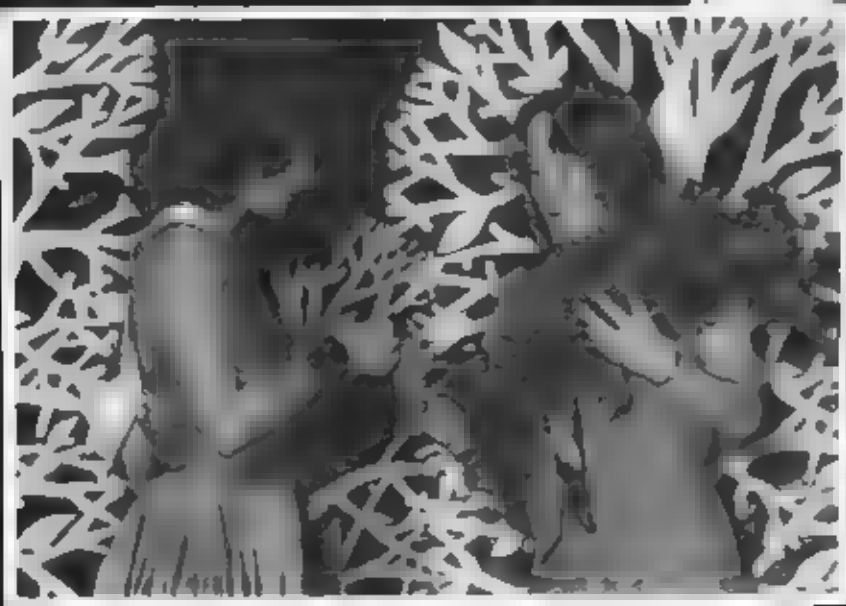

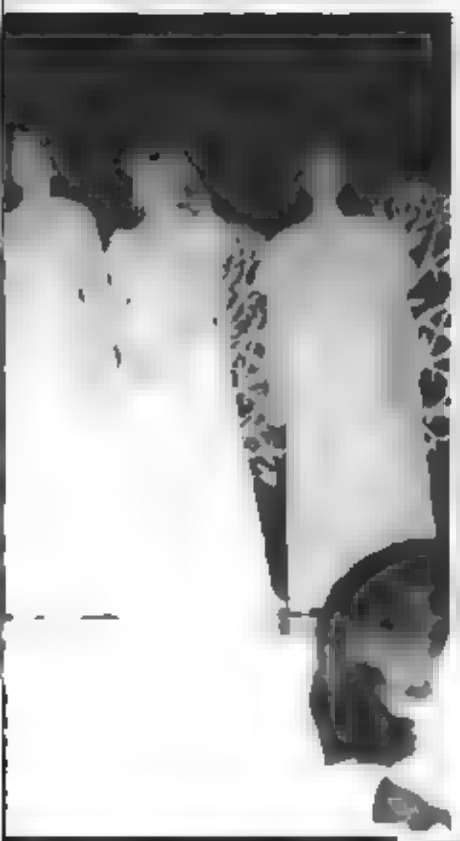

The ten finalists were; Emily Blaugrund, Lauri Venegas, Tina Zuniga, Liz Zubiato, Marcella Saucedo, Cindy Avila, Andrea Plaza, Racy Haddad, Ginny Kerr and Sandra Saucedo. Judges for the

gala event were Miss Otilia Caire, 1977 Fiesta De Las Flores Queen; Blanca Garcia, art teacher at Zavala; Janda Ramos, hair dresser at the Mane Event; Shirley Staen, modern dance teacher at Coronado and David Cohen, Student Activities Director at Coronado.

## Queen Liz Enlightens Military Ball

*W*ow, I can't believe it!" commented Elizabeth Juarez when she was informed that she would reign as Military Queen. The annual Military Ball was held in March as Queen Elizabeth and her royal court reigned over the beautiful extravaganza

The court consisted of Queen, Elizabeth Juarez, Lady-in Waiting, Lupe Reyes; Senior Princess, Cindee Aguilar; Junior Princess, Patricia Garcia; Sophomore Princess, Ruth Guzman; and Freshman Princess, Thelma Badillo. Also honored on court were Drill Team Sweetheart Maria Ramirez and Rifle Team Sweetheart, Rosie Perez

The girls were selected by cadets in the ROTC program who voted by secret ballot

**'M**y responsibility as senator is to serve the school as best as I can,' said spirit committee chairman Cindy Jaques

A new committee system was established in order to organize various projects held throughout the year. Every senator was required to take part in a committee. Committee chairpersons were Sherri Uecker, service committee; Carlos Veytia, fund raising committee; Lettie Villareal, teacher appreciation committee; Martha Cardenas, newcomer committee; and Karen Tovar homecoming committee

In the past, varsity cheerleaders were official members of the House of Representatives but this year, the cheerleaders became senators. 'It is better that cheerleaders are now senators because they do so much for the school,' said varsity cheerleader Linda Jordan. The senators' tenure of office ended at the end of second quarter.

# Officers Spearhead A Successful Year

**S**tudent Council had its most active year, sponsoring more projects and activities than ever before. Heading Student Council were officers Danny Malone, president; Tuffy Cleveland, vice-president; Trisha Pitchford, secretary; Valerie Gillett, treasurer; Sylvia Ortiz and Racy Haddad, program managers.

Officers started out the year by attending a convention in Austin, Texas. While there, they attended several workshops where they learned new skills and ideas intended to help them promote and stimulate Student Council.

This year officers met before each regular Student Council meeting with committee chairmen to plan out meetings and discuss various projects such as homecoming, fund-raising, spirit, service and twirp week. Night meetings were also held in which officers, cheerleaders and other interested persons planned out pep assemblies and various projects to encourage spirit.

For the first time, there were five standing committees. They were headed by chairpersons Karen Tovar, Lettie Villarreal, Sherri Uecker, Carlos Veytia, Cindy Jac-

ques and Martha Cardenas.

This year's Student Council was responsible for opening the new walkway to the upper parking lot making it a lot easier for students to reach their cars. They also sold Tiger decals, sponsored weekly skating parties, and other activities such as Twirp week and Homecoming. Members also made a victory flag for the football games. During Homecoming week, a new tradition entitled 'Eve of the E' was established. The result was a beautiful night attended by highly spirited students.

## Bonfire

bon fire (bon fire) is a large fire built in the open air. 2. Formerly, a fire for burning corpses. 3. A common sight at a party at the levee.

Every Friday, as the long week drew to an end, students looked forward to going to the levee to get away from their everyday hassles and authoritative eyes. From the littlest eighth grader to the football player, students congregated by the river to party and socialize with their peers.

Amidst the flickering, dancing flames of the bonfire, friends could be seen holding their favorite beer, peer out of the looming, ominous world beyond.

Chiemi Yoshizawa was our foreign exchange student this year. She is from Kawasaki, Japan. Chiemi arrived in El Paso on August 15

A difference Chiemi noticed was the school's dress and behavior code. In Japan, she explained, boys and girls wear uniforms to

school and have very rigid hair style rules. During class there is no talking because "There is no time for talking!"

Chiemi's favorite sport is basketball and she loves American food, especially steak.

Tradition swept our school once again as seniors' minds became preoccupied with thoughts of purchasing senior rings

Rings came in a variety of styles shapes, stone colors and metals Prices for platinum started at 35 dollars and rose proportionately for white and yellow gold into the hundred dollar range

Stones came in a rainbow of colors and various cuts including facet, rainbow and sunburst

Students had a choice in determining what was engraved in the side panels of their rings. Among the choices available were athletic designs such as a football or a basketball, first names; picture of the school; and achievement symbols such as ROTC, NJHS, etc

Wrestling captain Moses Centeno has been wrestling for two years. Asked how he felt toward wrestling, Moses answered, "It's the best sport around the school."

Their first take-down match was held November 27 and district competition started two weeks latter. Since the beginning of the season, wrestling coach Jesus Alvarez was impressed with Moses' work as well as with his attitude toward wrestling. "He got better every day," commented coach Alvarez.

Moses does not intend to pursue wrestling professionally but hopes to join a free-style wrestling club upon graduation.

Moses feels the personal satisfaction of wrestling comes when the referee raises his arm and pronounces him the winner.

According to Moses, wrestling offers him great satisfaction because it is an individual sport and victory is his own.

Mary Jean Acosta gets ready to spike the ball

After a hard B-team football game against Irvin, Oscar Garcia rests in the bus coming home.

Mrs. Blackstock questions a call from the referees

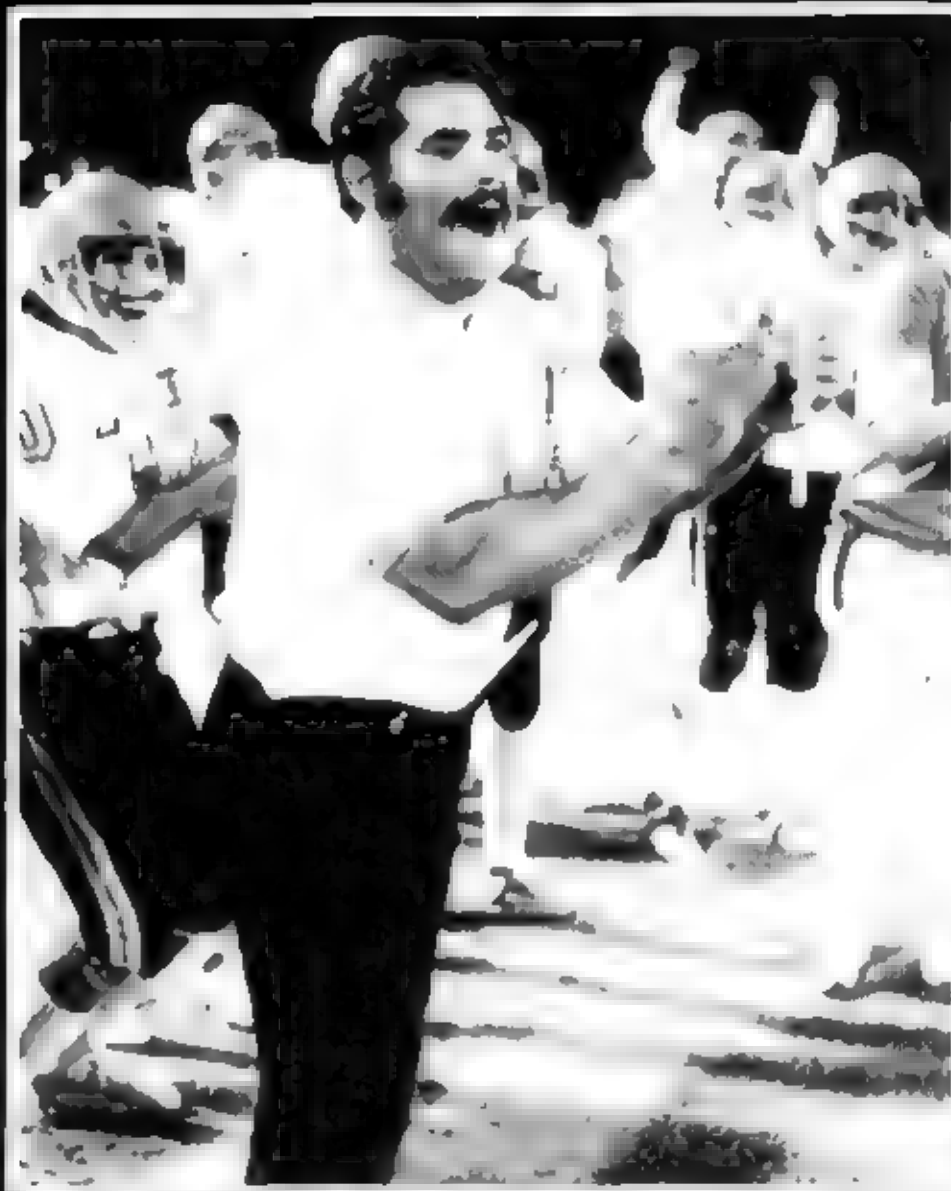

Mary Ann Blankenship edges past two runners just before the finish line in the regional cross-country meet in Lubbock.

We were a school of 1700 students, but though our number was small, our spirits soared high.

Our cheerleaders won many awards, (including the spirit stick held high by Lettie Villarreal) at camps and workshops held in the summer. They carried that spirit into the year to lead a corps of spirited Tigers in shouting encouragement to our teams.

The Tiger band once again upheld their tradition of being one of the most spirited groups in the city. They spent much of their own time preparing for halftime shows and 1-AAAA marching contest. Their hard work paid off royally as the proud

Tiger band received a '1' rating, the highest possible in contest held November 5.

Our teams, outnumbered by their opposition, discouraged by injuries and inexperience, nonetheless displayed courage, fortitude and excitement (as shown by Coach Willie Vasquez and the team) on the battlefield.

Girls' Major Sports devoted much of their early morning time to improving their records. Members of the basketball, volleyball, and track teams held practices at 7:30 in the morning.

With their spirited teammates behind them, the dedicated individuals who participated in swimming, tennis, cross-country, gymnastics, and golf sported fine records and represented us with pride.

Sports that were not as well attended, such as baseball, soccer, volleyball and track, held the Bengal spirit that carried throughout the year.

Although the bleachers were not always filled, we know that on the field and on the court, sport has spirit.

# Varsity Cheerleaders Harmonize

Back row: Isabella Torres, Bianca Villarreal, Aurora  
Front row: Alondra Domínguez, Isabella Torres, Bianca Villarreal, Aurora

'In order for a group of cheerleaders to excel, it is important that harmony exists among the squad. Fortunately, there was a tremendous amount of cooperation and very little bickering among us,' said varsity cheerleader, Andrea Plaza

Because of this harmonious co-existence, the varsity squad received widespread acclaim and approval from not only the student body but from judges as well

During the first week of June, they attended a cheerleading clinic at Andress High School. After the first day of stiff competition against cheerleaders from throughout the city, they were awarded a second place ribbon and a spirit stick. On the second and third days, they earned two first-place ribbons, the coveted spirit stick, the Key Of Achievement award; and finally, a first place trophy for

being the best all-around varsity squad

The cheerleaders further proved their winning capabilities by winning four superior ribbons, a spirit stick, the NCA spirit award, a creativity ribbon, a Superstar award and a plaque for being elected as one of the top four squads at the Camp of Champs Cheerleading Clinic in Portales, New Mexico

The girls had a compiled total of 21 years of cheerleading experience. Linda Jordan led the group with six years, followed by Andrea Plaza with five, Lettie Villarreal, Aurora Dominguez, and Becky Espinosa had three years; and Annette de la Torre, had one

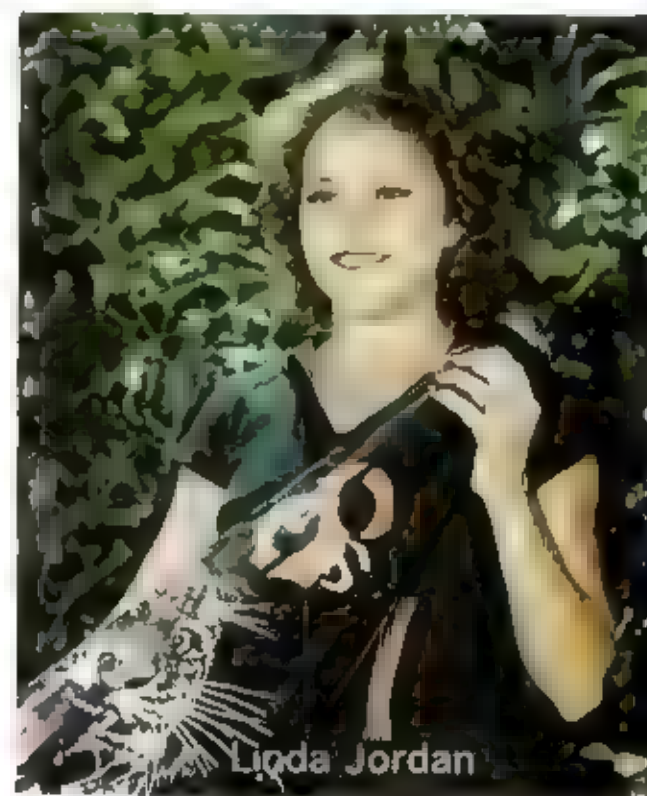

All in all, in spite of all the obstacles and hardships encountered, the cheerleaders proved to be a valuable asset in uplifting the school's esprit d'corps

## JUNIOR VARSITY

Junior Varsity cheerleaders attended the Andress camp, sponsored by the NMSU Cheerleaders, during the summer. The girls were taught new cheers and difficult stunts. They also received three second place ribbons for cheering.

In order to raise money for uniforms, they held egg sales, bake sales, and carwashes.

At the varsity football games, the Junior Varsity cheerleaders cheered during the third quarter and whenever the Varsity cheerleaders needed a break.

## Cagers Capture 2nd Place

"This year's team has been one of the best teams, especially in attitude and desire," exclaimed Head Basketball Coach, C.D. Jarvis, commenting on his top-rated cagers.

Opening the season with five returning lettermen, including returning starters Oscar Alvarado and Charlie Ronquillo, the Tigers dropped their first game to Midland, 44-40.

In the second game, the Tigers traveled to Clan country only to lose to Bel Air 51-49 in double overtime. It wasn't until their game against Lydia Patterson that the Bengals would get their first taste of victory; defeating LPI 29-26.

The taste was short-lived as they soon fell victims to Ysleta 26-24 with only two seconds left on the clock in overtime play.

Regrouping, the black-and-orange five then entered the EPHS tournament play, where they gored the Parkland Matadors, 40-36. The Tiger team then lost their second game to the Bowie Bears, 45-34. They then avenged their loss to Bowie by taking consolation honors defeating Cathedral 51-45 and Parkland 44-35.

Three days later, the Tigers traveled to the Ysleta District where they lost to Eastwood 49-35.

In the Snyder Tourney in Snyder, Texas, the Cats upset their host, Canyon Reef 39-37. They then proceeded to squeak by Perryton 36-25. Entering the semifinals, the Tigers' hopes of staging a clean-sweep were quashed by Snyder 47-43. The resilient El Pasoans bounced right back, however, crushing Monterrey 43-37. For their efforts, Coach Jarvis' boys received a third-place rating.

Savoring victory, the Tigers went on to slap Gadsden down 46-30 and thereafter proceeded to tame the Wildcats 40-31. The Tiger victory train came to a sud-

den halt when it hit Silver City, December 21.

In their 16th non-district game, the Tigers lost to their opponent, Animas 75-70 in four overtimes. Unwilling to give up, the Bengals downed Douglas 47-46, and Aztec 49-35 thus receiving the consolation place.

Returning to El Paso, they continued their winning streak, edging Riverside by two baskets, 45-41.

In district play, the cats faced the

Coronado T-Birds Dec 20, upsetting what seemed to be a taller and stronger team, 36-33.

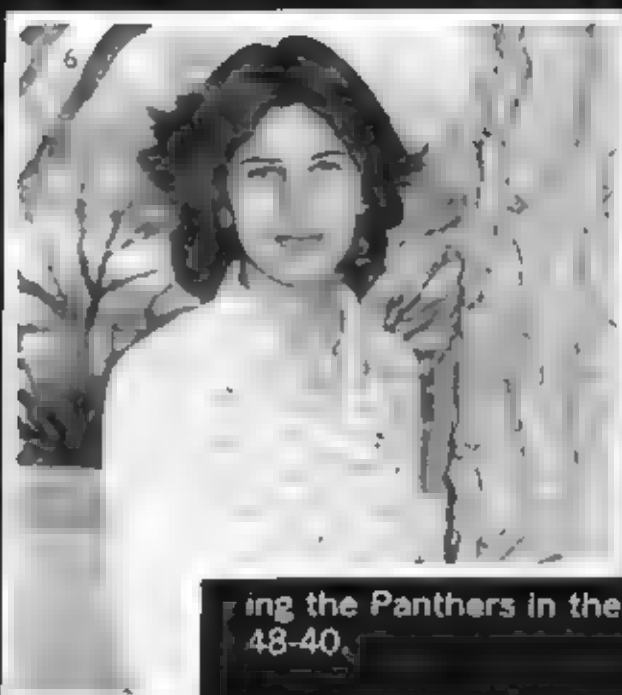

Starting the New Year against Bowie, the Tigers were clawed by the Bears 39-34. On Jan. 6, they took revenge against Andress, plucking the Eagles 50-46. Four days later, the El Pasoans hosted Burges where they broke in the Mustangs 35-33.

Unrelenting, they next stripped the panthers of their gold, 36-27 and then proceeded to outfox the

## Foxes 41-36.

With a 5-1 record in district play, the Tigers next battled Irvin for the undisputed leadership in district. Falling victim to the Rockets' full-court press, the feline cagers went under 50-42.

Undaunted, the Tigers next faced Coronado for the second place spot in district.

Even though the game took place during a chilly night, the Coronado gymnasium was hot with emotion as the T-Birds took an early lead only to lose it by halftime. While the T-Birds came very close to stripping the Tigers, the Cats managed to stay on top 49-47.

Back on their court, Coach Jarvis' cagers once again faced the Bru-

ins from Bowie. Unfortunately the Bears lucked out on a foul call during over-time play winning the game on a free throw, 38-37.

In their second encounter against Andress, the Tigers once again tasted victory against the Eagles in a much harder fought than expected game, the final score was 41-39.

In their next game against Burges, the Tiger pack proved unsuccessful, according to Coach Jarvis because, "they played their opponents' game." To make matters worse, the officiating was particularly bad during this game and the woeful score was 42-35.

Four days later against a much weaker Austin team, the Tigers grew closer to playoffs by smash-

ing the Panthers in their own pit, 48-40.

The Orange-and-Blackmen then closed their district play in defeat against Jefferson and Irvin. Against the Foxes, the Tigers lost a bitter fought battle by only a basket, 46-44. In a not-so-close game, the Bengals lost to Irvin, 61-44.

Finally reaching the playoffs on Feb. 16, at the Special Events Center, the Tigers for the third time in a row, eliminated the T-Birds from the slate, 24-20. The T-Birds stall-type game proved ineffectual against a much quicker Tiger team. For the third time in a row, however, the Tigers once again fell victim to Irvin, losing 46-35. The Tigers gave the Rockets a good game leading their opponents at half-time. Again, the officiating seemed rather lopsided which in no way helped the Tiger cause.

## 70 B-Team Basketball

# Tigers Lay Up The Wins

Beginning in October, the B-team basketball boys, spent two and a half hours a day practicing and improving their game.

Most of the emphasis was placed on defensive drills, while the remainder of their time was spent working on different offenses.

According to Coach Ruiz, this years' morale was much better than it was last year. The coaching staff felt they had an exceptional response as far as participation was concerned.

El Paso High's squad, consisting of 18 players, was the largest in El Paso. Although not all the players played during the games, the coaching staff tried to get everyone involved.

## Spirit Of Competition

The freshman basketball team was led by Team Captain Bobby Salazar. The high scorer for the freshman team was Ruben Lopez.

Some of the wins included Gadsden, Bassett, Andress, MacArthur, and Socorro. The team was coached by Mr. Enrique Orona. His hopes for the team to im-

prove, became a reality as the weeks went by.

# Little Dribblers, Big Hopes

The eight grade girls' basketball team began the season practicing very enthusiastically and energetically.

The girls' great enthusiasm and strong motivation compensated for their lack of size and speed.

Consistent scores and good playing came from Enid Arrellano, Maria Guillen, Letty Huerta and Jackie Spade.

Rebounding power came from Ruth Gonzalez and Maya Menchaca. The most improved players were Nicholasa Pinon, Sylvia Ramirez, and Jenny Navarro. Martha Sierra, Martha Perez, Rosa Lopez, Pat Goeldner, and Virginia Romero contributed to the overall good playing and scoring throughout the season.

## 78 Varsity Volleyball

Coach Jackie Blackstock and the varsity and B-team volleyball girls began practice at the "zero" hour of 7:30 to 9:30 every school morning. Many girls showed up half asleep and running around in curlers. However, this didn't affect the girls' playing abilities. Their hard hours of practice proved rewarding and the varsity volleyball girls ranked third in their district.

# THE MATCH

Laura Scott (shown at right) displays the strong backhand that accounted for much of her success in three years of varsity and tournament play.

The netters felt somewhat disheartened at the beginning of the year after losing Coach Brian Gilley but their spirits improved greatly as soon as newly appointed Coach Russell Lawrence started their training. "Practice was long and hard," said the Coach, "But the work paid off in the round robin matches."

Led by Francis Lovelady, team captain and sweetheart, this was the first year in which the team participated in fund-raising activities such as a tennis marathon and a bake sale. Proceeds went towards new warmups.

The summer of '77 was filled with long hours and hard work for Oscar Ontiveros, (shown at left), number one-seeded player in El Paso.

Under the coaching of Brian Gilley, since the fourth grade, Oscar has competed in tournaments throughout Texas, Arizona, and California. He won the Junior Davis Cup in California against top-rated players from Tucson, Phoenix, and Albuquerque.

Oscar was the first El Paso tennis player in ten years to win the Cup.

# THE GAME

Our football team seemed destined to an ill-fated season even before the first kick-off September 2nd.

On September 1st, the team was officially placed on probation by the University Interscholastic League for using helmets one day before UIL rules permitted them to be used. The probation prohibited the Tigers from playing in any post-season games.

Mr. Willie Vasquez, then head football coach, defended his action by stating that his team wore the helmets, not to take unfair ad-

vantage of the rule, but to protect the players' heads. Whether or not the ruling had an adverse effect on the team will never really be known, and in the long run, the issue proved to be academic since the Tigers' 'rocky road' was not to lead them to the playoffs.

In their first encounter, the Bengal battlers proved ineffectual against the Riverside Rangers, scoring only seven points to their 26. The Tigers' game was beset with interceptions, fumbles and an inability to muster a formidable defense against a much stronger offense. The ineffectual play

of the Tigers was to be only the first of a series of crushing defeats for a spirit-filled team.

Leaving their home field, the Black and Orange men suffered their second letdown September 16 at the hands of the Parkland Matadors. Again they managed only to score a touchdown against the northeast team. It was thought by many that in no other game was the spirit as it was during this game.

A week later hopes of saving a sputtering debut grew dimmer as the Tigers hosted Carlsbad. The Cavemen proved untiring as they clubbed the Tigers 37-12.

In the last game of a bad month for the Bengal men, the Tigers were outfoxed by Jefferson 7-6. A glimmer of hope was once again rekindled by this close, hard-fought battle.

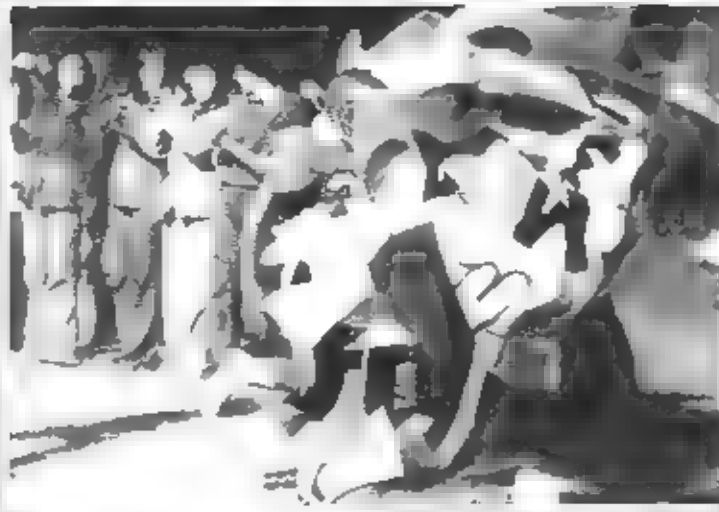

Unfortunately, whatever glimmer of hope existed was quickly snuffed out by the Andress Eagles October 7th. The Tigers were clawed 49-6.

On December 15, the Coronado T-Birds traveled eastward to Tiger land where the Tigers held the highly-rated westsiders to seven points at halftime. The 7-0 score lasted only a short time as the scoreboard showed a score of 29-6 when the final gun went off.

Drained of whatever glints of hope they may have had, the Tigers then experienced the first of four shut-outs. The first scoreless game occurred against Bowie as the Bears romped over the Tigers 35-0, October 21.

On October 28, the Irvin Rockets

blitzed the Tigers 6-0 in a game that could have gone either way. Facing Burges, who ultimately wound up tied with Coronado and Andress for district honors, the Black-and Orange cats were soundly stomped 27-0. In their last outing, the battle-wearied Tigers finally ended their season. Unfortunately, it was not to end in a happy note as the Austin Panthers lambasted the Tigers 27 to zip.

Shortly before Christmas vacation Coach Willie Vasquez rendered his resignation after coaching at El Paso High for six years. On January 26, Coach Carl Jackson was named as his replacement.

# A Season Of Heartbreaks

Starting the year off with little experience, the eighth grade football team began to practice every day after school from 3:30 to 5:30 p.m.

Since the first time the football team practiced as a group they showed self-discipline and improved their game one hundred percent.

When they began to practice, the team did not know anything about stunts, catching, passing and many basic fundamentals. They then went into defense and offense specialties.

According to Coach Jesus Alvarez, the freshman team next year will be great. "I enjoyed working with this bunch and I would like to do it next year again."

# Mistakes Main Factor For Loses

The Freshman football team's mistakes were the main factor for their losses this year. Although they won only one game this season, the others were very close.

The boys practiced from 2:30 to 4:45.

Practicing after school every day seemed rough for most of the team, but as a whole, they all agreed the time was well spent for future years. Hoping for a spot on either the B-team or varsity squad next year kept everyone working.

Coach Rudy Licon said that the hopes for this team in the future were very high.

## Patsy Norman Wins State

A true champ graced our halls this year. Patsy Norman is living proof that hard work and determination pay off.

After placing first in six consecutive cross-country meets and establishing a new meet record in each, 14-year-old Patsy went on to take second in regionals in Lubbock, Texas.

On December 10, Patsy limbered

up for what was to be, her biggest race yet. Facing a field of some 200 runners, the slender dark-haired freshman showed her true colors breaking the tape in a time of 11:47, becoming the undisputed state champ.

Patsy comes from a long line of six runners among which one, Victor participated in all state track where he received an eighth place.

# THE MEET

The 1977-78 cross country season was one of our best. The girls' varsity team won the District Championship and went to Regionals. The team was led by freshman sensation Patsy Norman. Patsy set new meet records at every meet in El Paso. She won the District Meet then went on to win the State championship and set a new state record. Patsy was the first female athlete in the history of El Paso High to win a state championship. Patsy still has three years of high school to go, and maybe a spot on the next Olympic team in Moscow, Russia.

The girls team was composed of Patsy Norman, Margarita Solorzano, Debra Dixon, Marianne Blakenship, Carmen Solorzano, Gloria Castro, Norma DeJong, and Leonor DeJong. Margarita Solorzano, Debra Dixon and Marianne Blakenship made the all district teams. The girls won six out of the eight meets they entered.

The Varsity boys team was in a building year, with only one senior on the team. The team members were Agustin Puga-All District, Richard Pena-All District, Arturo Flores, Carlos Cabello, Javier Herrera, Robert Valdiviez, and Robert Sanchez.

# THE MEET

Composed of twelve girls, the gymnastics team commenced February 8 and terminated on March 21.

The team competed against district schools and Ysleta. For the first time, area gymnasts were given the opportunity to advance to regionals and state competition.

Ten of the top gymnasts were able to advance in their district with U.I.L. rules in effect.

# THE GAME

A new coach, a new attitude, a new team, and a new pitching machine were all used in the '78 varsity baseball season. After his resignation last year, Coach Kenny Moorehead left the baseball diamond to dedicate himself entirely to the classroom. Coach Terence Baker filled the vacancy and a new spirit soon was apparent.

Practice was long, hard and grueling, often continuing into the night. Fortunately, the long hours paid off during competition.

Lack of spectator support was noticed at all the games and it seemed as though the students will never be responsive to certain sports. Even without support, the '78 baseball team continued to show a strong and authoritative game.

Under the guidance of Head Coach Danny McKillip and Assistant Coach Rudy Licon, the boys' varsity track team started the season off with fourteen members.

Our strength this year seemed to lie with our distance runners. Of the 14 tracksters, five were returning lettermen: Tini Puga, Joe Robert, Gilbert Perez, Ricardo Segoviano, and Valentino Serrellano.

Varsity trackmen and their events included: Tini Puga (mile); Ricardo Segoviano (400 meters, 400 meter relay, mile relay); Gilbert Perez (400 meters, 400 meter relay, long jump, mile relay); Joe Robert (shot put, discus); Raul Siquientes (110 meter hurdles, 330 meter hurdles, 400 meter relay,

mile relay); Richie Pena (mile); Rigo Landeros (100 meters, 200 meters, 400 meter relay, 330 hurdles).

Others also included Javier Herrera (880 yd. dash, mile relay); Rudy Molina (400 meter relay, mile relay, 100 meter run, 200 meter run); Bobby Valdiviez (800 meter dash); Jose Delgado (100 yd. dash, 200 yd. dash); Tury Flores (mile); Robert Perez (high jump, long jump); Valentin Serrellano (880 dash, mile relay)

Austin Cleveland, last year's top pole vaulter was unable to compete because of a shoulder injury

Beside the district meet, tracksters participated in four other invitational meets including the following: Fort Stockton, Parkland,

El Paso-Coronado, Bowie, and Jefferson.

The B-team, like the varsity, seemed to be stronger in the long distances. Members included Nick Hantzopoulos (shot put, discus); Joey Artega (shot put, discus); Chuck Etheridge (high jump, 220 yd. dash); Jose Cardenas (sprinter); Chris Aguirre (pole vaulter); and William Veck (pole vaulter)

Other B-team members included Jorge Villareal (discus, shot put); James Bell (880 yd. dash); Francisco Guerrero (discus, shot put); Eddie Colunga (sprinter); Javier Marquez (high jump); Gerald Carbajal (high jump); Luis Diaz (long jump, sprinter); and Carlos Cabello (mile)

## 108 9th Track

The outlook for the 1978 freshmen track looked real good from the very beginning of the season. Competing in a seven-team meet, the Tigers got a third place. This was the first of a series of a seven-meet season that led to the district 1-AAAA championship meet held in April.

Some of the boys who carried the burden for the team were Mike Hinojosa, a strong miler but also a point-getter in the long jump and 440 yard relay; Victor Bustillos, who jumped over 19 feet several times; Louie Lozano and Leon Jorjorian in the hurdles. Carrying the black-and-orange banner were a group of middle and long distance runners including Daniel Retana, Gilbert Solorzano, Albert Maldonado, and Martin Saenz. Jose Berumen, a shot-putter and discus-thrower, and Greg Barron, a member of the 44 yd. relay team, also accounted for some points.

The eighth grade track team opened its season at Guillen on March 11.

Under the direction of Coach Al

Quintella, the team began with some 30 members but as time went on and the training and competition got together, the team grew smaller in number.

Some of the team's members included Ernie Orozco (100 yd. dash, 440 yd. dash); Allen Uecker

(shot put); Edward Lujan (200 yd. dash, 440 yd. dash and mile relay); Richy Arce (440 relay, long jump, high jump); Diego Frausto (880 yd. dash); Sergio Lopez (shot put, discus); Juan Aguirre (440 relay); and Richard Perez and Richard Armendariz (shot put and discus).

"They're the greatest athletes at EPHS or anywhere else," exclaimed Ms. Irene Araiza, describing her hardworking track team girls, who sometimes ran as much as 15 to 17 miles a day.

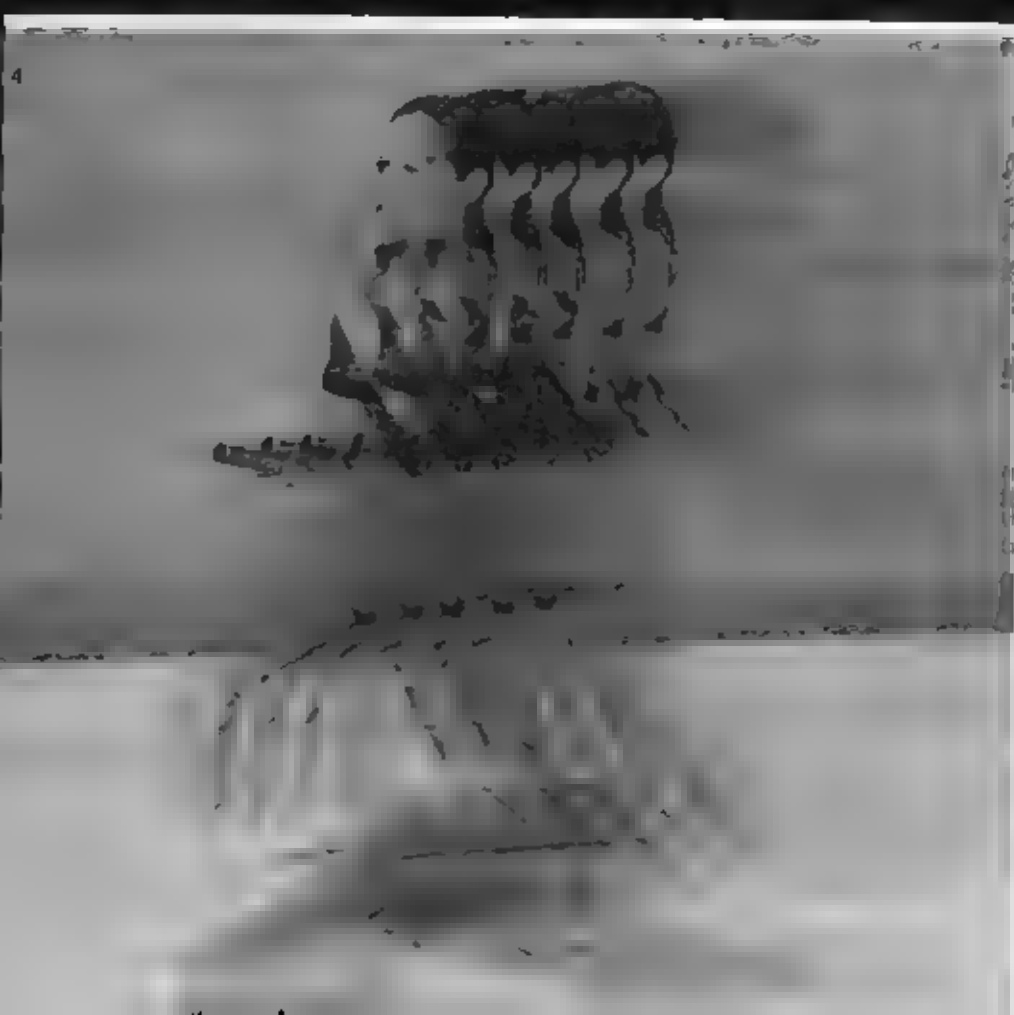

Ms. Araiza attributes the girls' dedication to the tremendous amount of spirit the girls possess. Their dedication paid off handsomely this year as the ladies set and broke track records at various meets.

Two of this year's top achievers were Junior Mague Solorzano and Patsy Norman. Mague set a new meet record at the Burges Invitational in the 880 with a time of

2:29. Another record-setter was Patsy Norman who established the mile record in a time of 5:30. Of 28 relay teams competing, the Tiger foursome consisting of Debra Dixon, Gloria Mejia, Marianne Blankenship and Mague Solorzano took fourth place in the mile relay.

Returning track letterpersons this year include Marianne Blankenship, Bertha Caldera, Debra Dixon, Loretta Galeviz, Julie Rivera, Mague Solorzano, Carmen Solorzano, and Susan Stapleton. Promising freshmen this year include Patsy Norman, Kim McCullough, Gloria Mejia, and Linda Arce.

# Pin To Win

"Pin to Win" must have been the slogan of this year's varsity wrestling team. The wrestlers had an excellent season, winning matches against Bowie three times, Austin twice, Roswell and Goddard, among others.

The Tigers won the Carlsbad tournament for the first time. They were the most popular team at the tournament from start to finish. Camillo Martinez was chosen outstanding wrestler.

Six of the twelve grapplers were new to wrestling, and all of them except two will be back next year.

# THE MEET

## Tiger Stokers

The swimming team had a successful season. They defeated Ysleta, Bel Air, Austin, Riverside and Andress in dual or tri-angular meets. In the Texas Invitational meet at Lubbock, they placed 12th out of 30 teams. In the Amarillo Invitational meet in February, they splashed to the same finish.

# THE GAME

Though half of our golfers were inexperienced, they were out on the course every day developing and improving their skills. The boys were stronger but the girls did well scoring consistently.

Next year's boys' team should be stronger since they are all juniors and they will have more experience under their belt. Only two girls will be returning.

Practicing was from 2:30 to 5:00 at Santa Teresa Country Club Monday through Thursday. On Fridays the team went to Cielo Vista Municipal Golf Course.

# Work, Work, Work!

Sr. Office Education Association (OEA) started off the year by selling lollipops and collecting newspapers to pay for membership dues and workshop expenses, as well as contest entry fees

They learned sundry office procedures and were trained to qualify for office positions. Most club members received on-the-job training in office procedures. According to club member, Mike Rayas, "This class is different from any other. You are really well trained to get a job for the future," and according to Yoli Villalobos, "We don't have the same boring routine. The class is flexible."

Sr. OEA officers this year were Rosa Ortiz, president; Cindy Maser, vice-president; Irma Campos, secretary; Irma Soto, treasurer. Belen Fernatt and Yoli Villalobos were reporters- historians

Junior OEA members began the year by electing officers. Judy Sidransky was elected president; Martha Barton, secretary; Sandra Betancis, treasurer; and Frank Lopez, parliamentarian.

In February, members participated in an area contest. Skills tested included typing, shorthand, accounting, duplication, job interview techniques, and filing. Contestants who qualified then proceeded to state competition in Houston.

Jr. OEA trains students so that they may successfully hold office positions during their senior year. It also aims to develop character, inspires leadership and cooperation among students and members of the business community. In addition, OEA strives to improve the students' personality so that they may work harmoniously later in their jobs. Ms. Katherine Boyd is the club's sponsor.

## Something's Burning!

The Future Homemakers of America had a busy and prolific year. The 1977-78 officers who led FHA to an exciting year were: Mary Lou Vargas, president; Yvonne C. Chavez, vice president; and Irene Vargas, secretary. The club was represented in the city council by Belinda Chavez and Pam Tabor.

FHA attended various demonstrations covering a multitude of topics such as fashion coordination, interior decoration, and foreign food preparations. They learned about different hair styles and methods of applying cosmetics. The members made origami flowers and cakes to sell on Valentine's Day.

According to Miss Debbie Hartman, sponsor, the club's goal was to have a good time while being of

service to the school.

Members also sponsored various money-raising projects in order to have money to pay for their year-book pages.

"We accomplished various time-consuming projects such as bake sales, candy sales, Easter messages, and Valentine messages, all without any major mishaps," added Mrs. Hartman.

For homecoming, Art Honor Society members painted the end zones of the football field and during Spring Fiesta, they decorated the Civic Center.

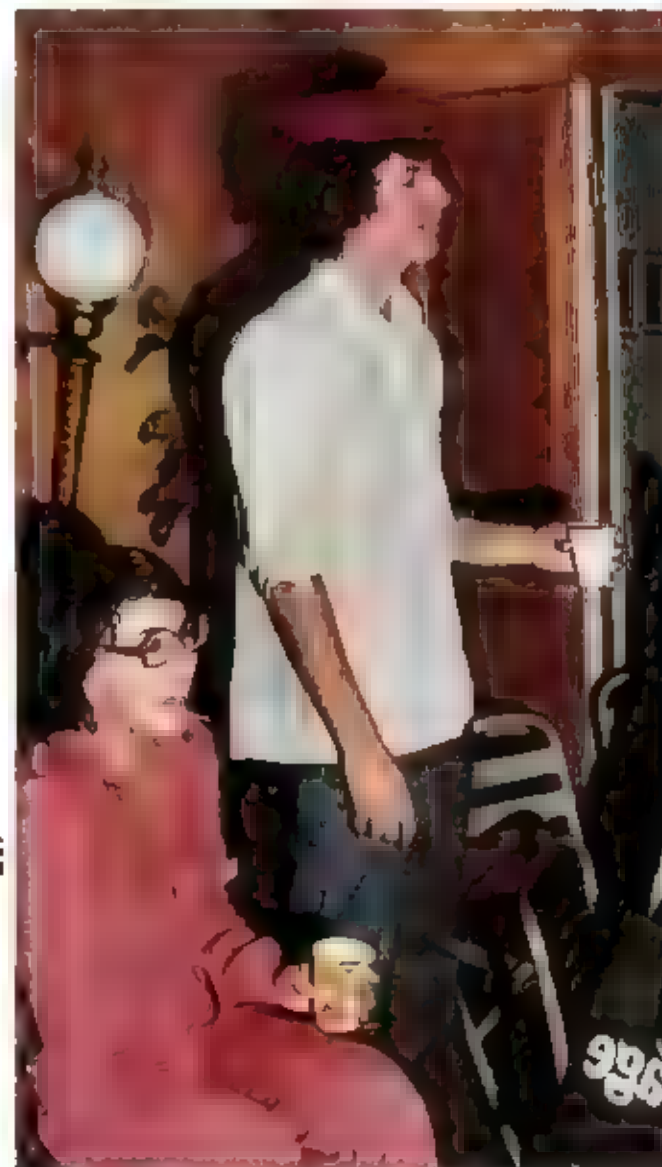

# "Le Cercle Francais"

This year the French Club was very active. At the beginning of the year, new members were initiated and they had to eat escargot (snails) and fromage du chèvre (goat cheese). Informal meetings at the members' houses were called pause cafe's. At the pause cafe's, French was spoken and members ate different varieties of French cuisine: escargot, fromage du chèvre, pâte de foie gras (Gooseliver), and quiche lorraine (an eggdish).

Members entered a play called, "Le Figue et le Viellare" in the Foreign Language Festival. The members also entered the Foreign Language Speech Tournament.

# An Apple A Day Makes A Hard Core Teacher!

The Future Teachers of America, under the supervision of Mrs. Beatrice Lopez, held their membership drive early in the year. It was considered successful with a five percent increase over last year.

One purpose of the club was to expose members to the different aspects of education. At every other meeting, the club invited teachers from different schools to come and speak about their special areas in education. The teachers explained what they did before they got their degree and what made them decide to become a teacher.

The members conducted bake sales and message sales. They helped out with the school's carnivals and participated in other projects such as selling souvenirs and refreshments at the Miner football games. The profits were used to pay the members' way to the annual Texas Future Teachers of America Convention held in Dallas, Texas, last February.

## "Quiet On The Set!"

Speech and Theatre Arts Society elected new officers during their first meeting. Heading the club this year was Suzie Vilardell, president; Racy Haddad, corresponding secretary; Carmen Stubblefield, recording secretary; Trisha Pitchford, treasurer; and Jose del Valle, sergeant-at-arms

This year the speech and drama department, in cooperation with the music and modern dance departments, presented "The Sound of Music" in January. It was the first event held in the auditorium

The drama department co-hosted a workshop of one-act plays and mimes with UTEP. Schools participating in the workshop were

Ysleta, Jefferson, Austin and Irvin. Taking a superior rating in set design at the Riverside High School tournament was Jose del Valle. Suzie Vilardell placed third in poetry interpretation.

Kalevala Club had a very successful year as it almost tripled its enrollment. The Kalevalans also sponsored various money-making projects.

The club began gathering works for the annual creative arts magazine in September and worked throughout the year alongside the creative arts magazine staff to produce the magazine

Co-presidents of the club were Adele Burrows and Lynn Thompson. Colleen O'Connor was the club's secretary-treasurer and the sponsor was Mrs. Emily Gunning.

Orchesis 139

Orchesis is the honorary modern dance club. New members were picked by audition by Mrs. Mary Ellen Robberts and last year's Orchesis members. They were chosen on their ability to dance, interpret and the quality of their techniques. These girls worked together as a group to give performances for outside functions, such as the Junior Senior prom and Spring Fiesta. The club held various workshops twice a month on Wednesdays to help those interested in dance and to encourage others to join the modern dance class. These workshops proved successful for those who attended. Orchesis also performed in their annual Modern Dance Concert on February 24. During the year they also entertained at El Pipo's hair design.

# Science, Science!

The General Science Club began its first year with a series of candied-apple and bake sales. At the beginning of December, members held a car wash to round off their first four months of activity. After the Christmas holidays, they toured Hotel Dieu Hospital and the UTEP engineering department, learning about things like lung machines and how doctors prepare for surgery

Officers picked during the first meeting were Estella Ortega, president; Nora Rojas, vice-president; James Bell, treasurer; and Denise Mendez, secretary. The advisors were Miss Rojas and Mr. Aguilar. This being their first year in existence, the club accomplished quite a bit

# "What's Up Doc?"

The Medical Science Club was started this year. Mr. Don Wofford sponsored the new organization for students interested in medicine. Officers leading the club were Denise Davidson, vice-president; Dolores Chavez, president; Pat Mares, secretary and Vicky Campos, treasurer. On October 8, the club went to Sun Towers Hospital where Dr. W. Berry showed them the Radiology Department. They saw x-rays of the various parts of the human body and the x-ray equipment. Many favorable comments were heard from club members who favor using advanced techniques for surgery.

Students participating in the club will have their membership noted on their school records. The club sponsored many funds throughout the year. Members held bake sales to back up the club financially, and to pay for their Spur page.

## Teen Involvement Members Counsel Sixth Graders

This year fourteen students participated in a counseling program entitled, 'Teen Involvement.' The program deals with teaching values, encouraging decision making, and fostering communication between kids and adults. Aimed at sixth grade students, the program strove to reach sixth grade students through high school students.

According to Ms. Yolanda Nesom, Teen Involvement sponsor, the program was effective because "students listen more to high school students than they would to their teachers or counselors."

Once a month, student counselors, known as 'facilitators' or 'visitors' visited five of the surrounding elementary schools to rap with students. El Paso is within the only district in Texas that offers this type of counseling. The student counselors, working in two's and three's were assigned to different feeder schools.

# Telling It Like It Is

This year's Student Advisory Committee consisted of twenty-four students representing eight El Paso High Schools. Representing us were Andrea Plaza, student body, Rene Bustamante, student council; and Emily Blaugrund, journalism department

Students met once a month with superintendent J.M. Whitaker. Topics for discussion consisted of problems faced by the El Paso school district. Joining the group of students were student directors and consultants

# WHO'S WHO

Nowhere else is the word "well-rounded" as aptly used as when it is used to describe the "Who's Who" recipients.

Selection of these honored students, who were nominated by either teachers or themselves, was based on academic achievement and active participation in extra-curricular activities. The twenty students earning the highest number of points were selected for "Who's Who."

Who's Who: Danny Malone, Laura Jackson, Bobby Nevarez, Saul Gonzalez, Mike Scanlon, Ricky Campos, Iris Kaim, Letty Villarreal, Racy Haddad, Dolores Chavez, Joy Ferguson, Frances Lovelady, Lourdes Chavez, Debra Dixon, Annette de la Torre. ## "It Just Don't Add Up"

The math department, consisting of nine teachers, saw the addition of two new courses: Number Theory and Theory of Equations. El Paso High was the only school in west Texas to offer the latter of the two.

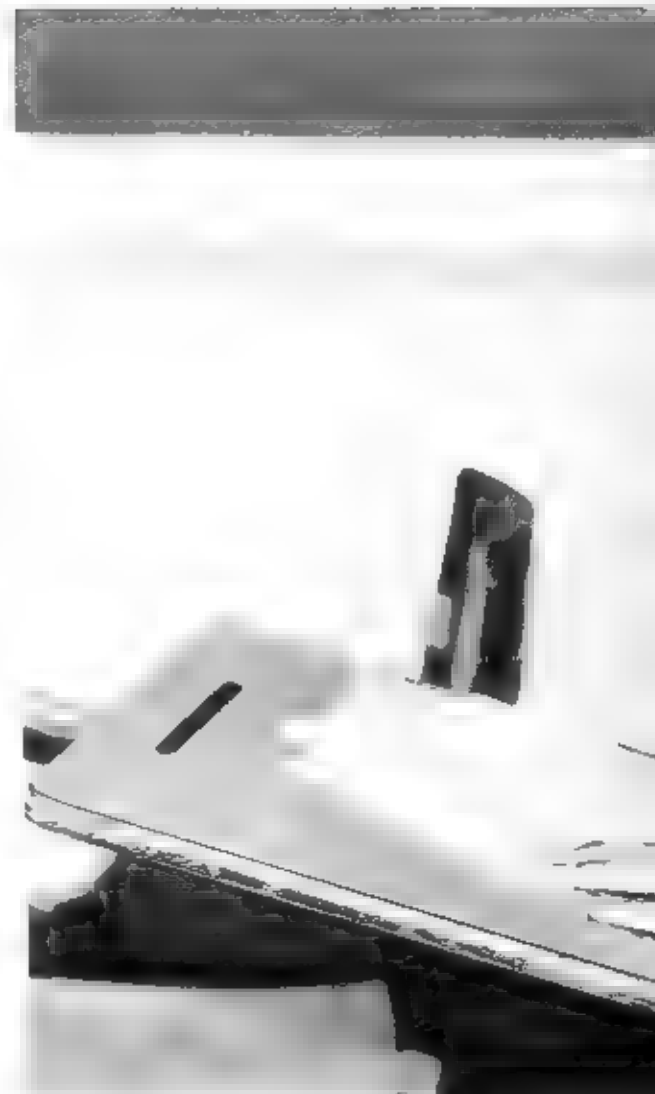

More and more sophomores each year have doubled up on their Algebra and Geometry courses. Taking these subjects early enabled these students to take a year of calculus before graduation.

As in every year, last summer in-

terested students took part in an engineering program at U.T.E.P.

University Interscholastic League (U.I.L.) held Number Sense Competition in April. Number Sense members were Jerry Ahouse, Amy Rivera, Kim Strauss, Mark Ortiz, Paul Williams, James Bell and John Corbin.

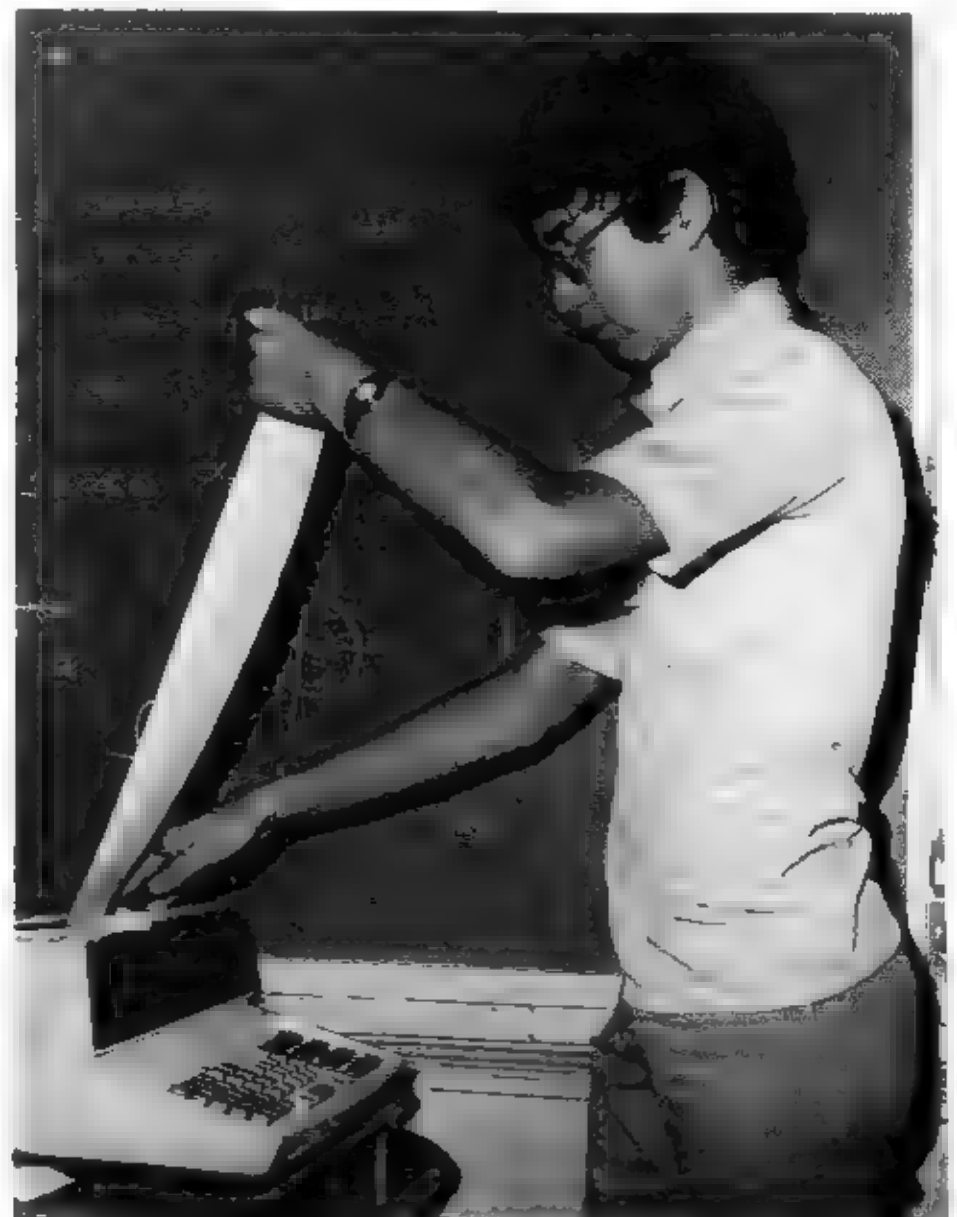

Student interest created a student teacher commission to buy a computer for the school. A petition was written up by Lynn Slater and signed by students and teachers alike.

## 150 Science

Besides dissecting cats, earthworms, and pigs, science students also attended symposiums and field trips this year. This year also saw the formation of two new science clubs: the Medical Science Club and the General Science Club.

"It's good for students to study the anatomy of an animal because if they are going into a medical field, they'll know what they are going to be up against," said senior Tom Curlin. "I've learned a lot, but those cats sure stunk," added senior Sylvia Ortiz.

Science teachers encouraged students to enter various conferences and competitions. During the Health Career Conference held on November 11 at Bowie High School, students were shown medical films, exhibits, and were taken on hospital tours. Several students entered their pro-

jects in the Trans-Pecos Science Fair held at Tech Center March 30 and April 1.

Other students submitted scientific papers based on their own research to the Southwestern Science and Humanities Symposium. Emphasis was placed on the projects' importance to humanity. Still other students participated in junior and senior science seminars as well as in computer seminars. Participants listened to lectures by guest speakers, went on field trips and worked on projects.

Examinations testing students' abilities to read scientific publications were administered at the University Interscholastic League Competition.

Geology classes visited sites on Trans-mountain road, McKelligon Canyon and Mt. Cristo Rey.

# From Past To Present

Social Studies students were quite active as they involved themselves in a diversity of projects.

In Law and the Courts, mock trials offered the students an opportunity to learn courtroom procedures as they stepped into the shoes of lawyers, judges, plaintiffs and defendants.

In an Individual Research Seminar, 12 students conducted an in-depth study about a political, economic or social issue or problem. They then offered a presentation over their selected topic to the class.

American history classes involved themselves with scrapbooks and reports. Using photos, cartoons and articles, students related past events with those occurring in the present.

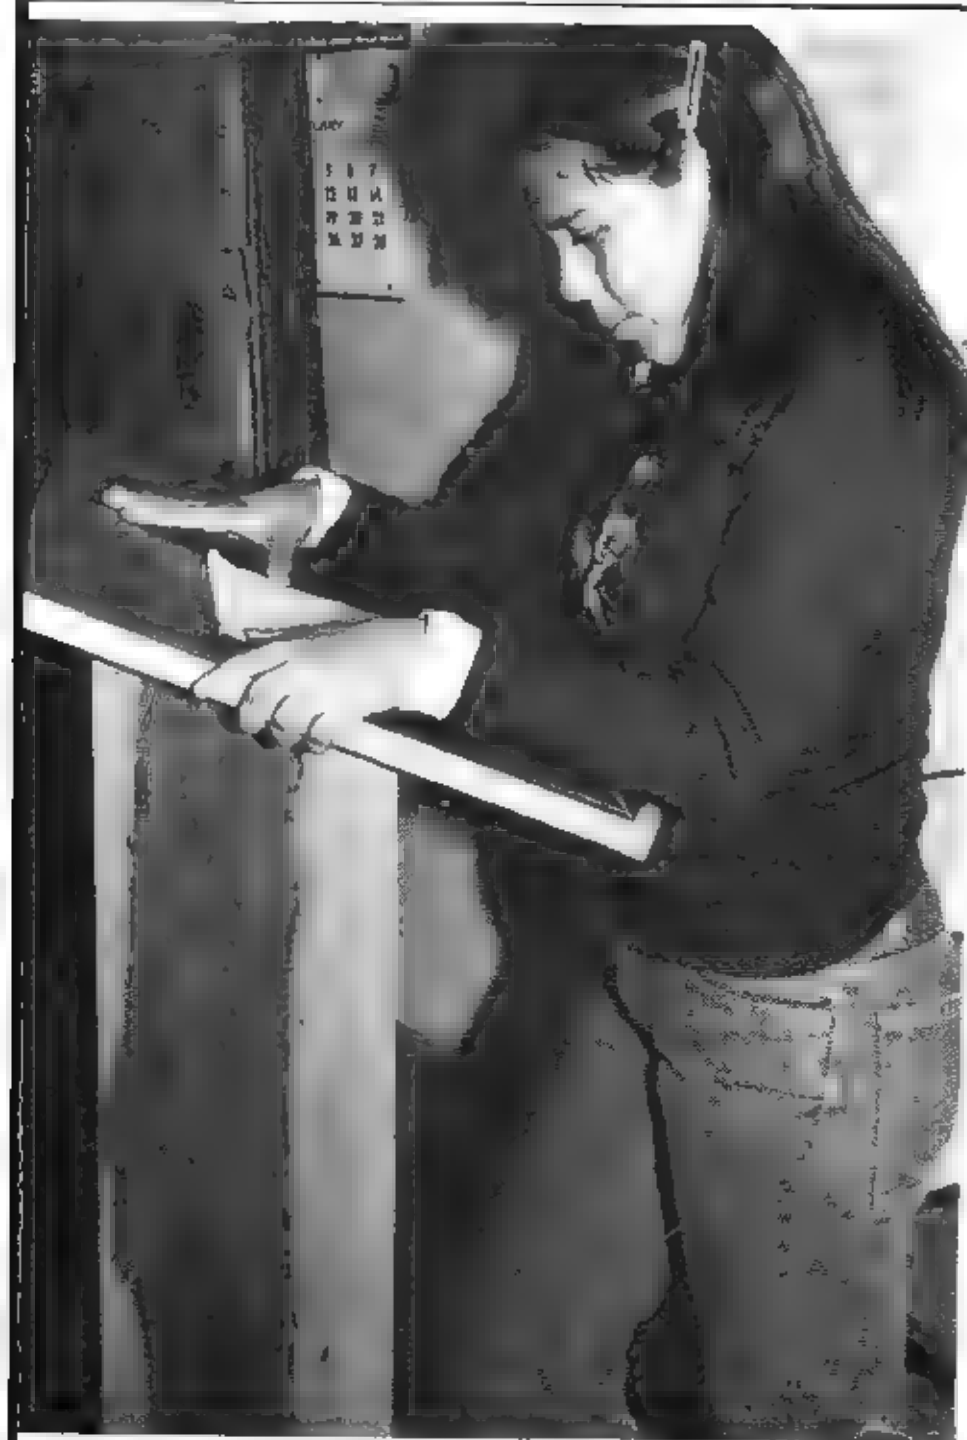

This year also saw a change in the curriculum as new courses were added, giving students more of a variety to choose from. Class loads were still bursting at the seams with classes averaging over 30 students.

More students seemed to be participating in class discussions and in oral reading. Of course, as in most other classes, there contin-

ues to be the challenge of motivating students whose interest wanes or those who have reading problems.

With the additional courses added to the social studies program as well as the deletion of courses proving to be outdated or ineffectual, government and history courses became more relevant and worthwhile.

# English Department

The English Department including journalism and speech classes, was composed of 14 teachers. The newly remodeled auditorium and an increase in the speech department created a need for an additional teacher who is also a specialist in operating the expensive lighting and sound equipment.

Students and teachers were involved in numerous activities outside school. This year, as in past years, representatives competed in impromptu writing, spelling and plain writing, and various journalism categories. Teachers not only coached their own students but they also served as judges in other district contests.

In addition to University Interscholastic League competition, speech students competed in many tournaments around the city. Staff members also volunteered their time to act as judges.

# Ever Growing-Ever Improving

A major undertaking this year was the production of "The Sound of Music." Music and speech students, as well as teachers, spent long hours rehearsing for what proved to be a highly successful production

For the past two years, professional Shakespearian thespians have staged the English playwright's plays as well as his sonnets

A multitude of English courses insured that students' needs were met. Courses ranged from intensive language development, (teaching students to speak English) to advanced courses for juniors and seniors. Students had an opportunity to select from college preparatory subjects as well as subjects benefitting those going into some trade

The foreign language department was comprised of two new teachers; Mrs. Barbara Powell (French and Latin) and Mrs. Helene Solomon (Spanish).

The Latin classes studied mythology and took part in a Roman banquet which was sponsored by the Latin Club. A wedding, holidays and feast days were also re-enacted. Spanish classes learned the basics of Spanish and partici-

pated in the language festival held at Bowie High School.

French students participated in plays, oral conversations and used the listening lab extensively. Third year students studied French civilizations through the use of films and various projects. Each student chose a period of history or a monument as a subject for their project. Many French students attended the

French symposium in Midland where contestants throughout Texas competed. Categories included language proficiency, poetry, and extemporaneous speaking as well as art and music.

"My goal this year," said Mrs. Powell, "was to build up a foreign language program and to create more interest in the cultural studies."

## Creativity Unlimited

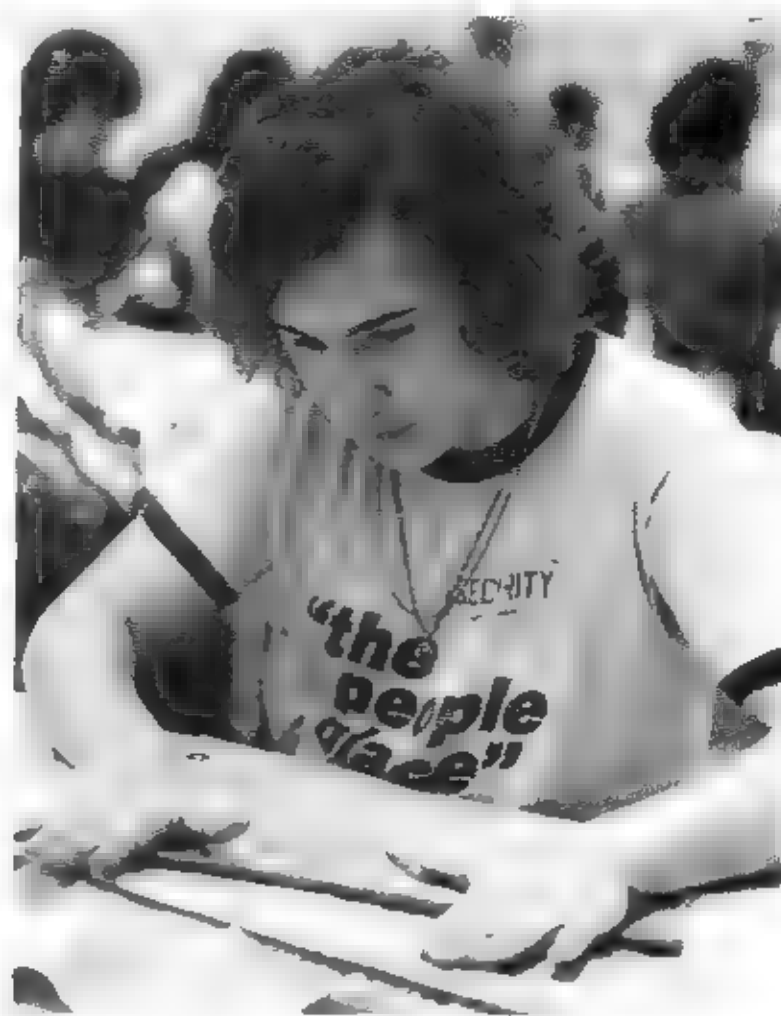

The art department continuously grew, mainly in the fine arts division. The crafts division also grew but at a slower pace. Student interest likewise burgeoned rapidly this year.

Eighteen different courses were offered this year including eighth grade art, leather crafts, jewelry, ceramics, painting, drawing, and others.

Some of the projects undertaken by art students included con-

structing the backdrops for Spring Fiesta, the Beauty Pageant, and Military Ball. Students also made Thanksgiving, Christmas, Easter, and Valentine displays in the front hall. Other projects involved creating artwork on bulletin boards and various posters for school functions.

Art teachers attempted to show the important role art plays in life, making it an integral part of the school.

# Tech Time To Learn

Tech Center offers students an opportunity to learn radio and T.V. repair, auto mechanics, metal trades, cosmetology, electronics, and various other trades

Students attended Tech for three hours a day and received three credits for each class successfully completed. Classrooms were equipped with the latest and most sophisticated equipment available. A job placement service was also available to help graduating seniors obtain employment in their field

"I liked Tech because I met students from all around the city," added Trinidad Fernandez. "and I received much training."

# Number One Band

Success at last! For the first time in five years, the Tiger Band received a "Superior" rating at the 20th annual Invitational High School Band Marching and Pageantry Contest held at the Sun Bowl Nov. 5. All those hundreds of hours of hard work finally paid off.

Under the direction of Mr. Kenneth Capshaw, 96 band members performed their precision drills to musical selections which included "Rio Bravo," "This Masquerade," "Suncatcher," and "Superstar."

All year the band worked under a system called the "4D's". They stand for Desire, Determination, Discipline, and Dedication.

This past year they had various fund-raising projects in order to go to contest in Durango, Colorado.

It all paid off as this year seemed to be a rebuilding year for the Mighty Tiger Band!

# V-Orchestra Members All Strung Out

Varsity Orchestra 165

The El Paso High "A" Orchestra under the direction of Mr. George Leon, was involved in several activities this year.

President Judy Gonzalez led the organization, assisted by Ruth

Corona, vice-president; Connie Caire, secretary; Brian Maddux, treasurer; and Lulu Ramirez, librarian. The goal of the orchestra this year was to become a top group and to perform well. The group has been improving over

the past few years.

The original musical scores from the Broadway Production of "The Sound of Music" were played by the orchestra on January 27 and 28 for the annual speech department play.

The orchestra's second performance took place on February 13. For the past three years, Mr. Leon has been organizing the beauty pageant to raise money for the orchestra.

Interested students chose a solo to work on and performed in the solo and ensemble contest in March.

The group performed in the Jazz

Festival on April 1. The contest featured popular and rock music played by stage bands and orchestras from schools, throughout the city.

The same night, the busy musicians performed for Spring Fiesta, playing background music during the coronation and ceremony.

The high school orchestra competition in May featured classical type music on which the group worked hard in preparing for

All competition and contest performances were rated according to musical quality, rhythm, and musical interpretation

# B-Stringers Tune In

The eighth grade orchestra consisted of 14 members and was led by Mr. George Leon. The members spent their class hours practicing and preparing for the events which will be held next year

The group played for the Mesita School Christmas Program. Some of the students also played a solo ensemble at a contest held in March

In order to pay for their trips and needed equipment, orchestra members conducted bake sales and sold Halloween messages

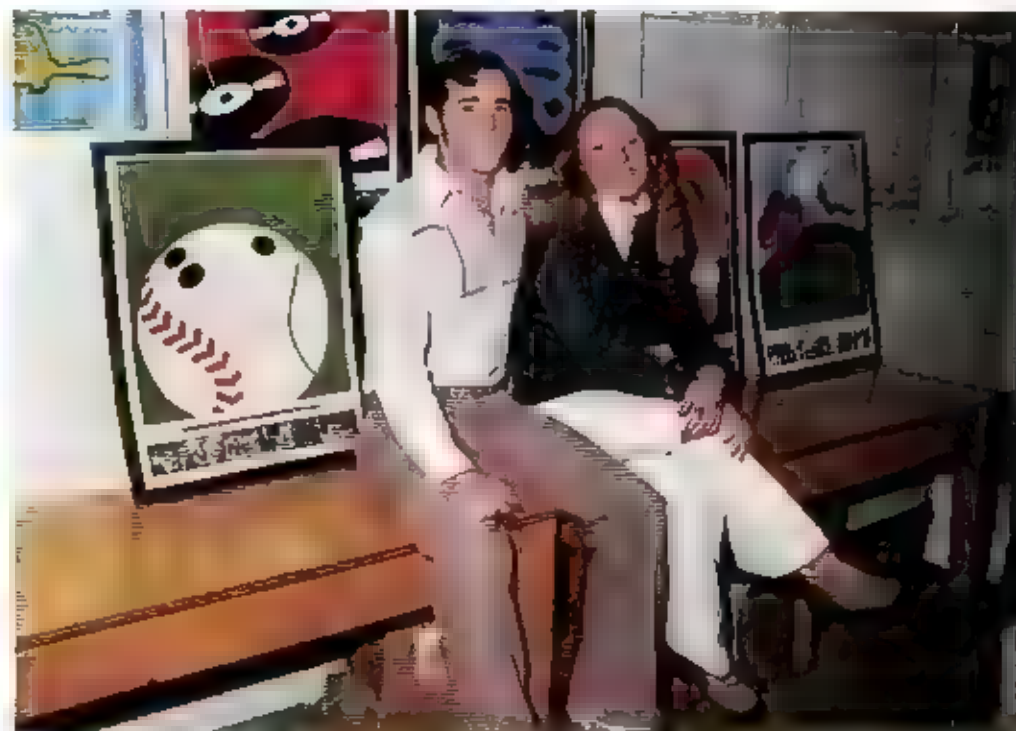

Distributive Education identifies a program of instruction which teaches marketing, merchandising and management.

With selling a major part of the D.E. program, many projects were undertaken as part of the curriculum. A juke box was installed in the cafeteria. As an annual fund-raising project, mums, garters and boutonnieres were sold for homecoming. During Christmas, the club sold jewelry. The funds made from all these activities were used to finance the yearly contests held in February and March

As social activities, a Christmas picnic was held and an employer-employee banquet was held at the Civic Center. To end the year, a dinner was held honoring all seniors

Eastern New Mexico University in July. They learned new routines in preparation for the halftime performances by the varsity band

during this past football season. Saul and Melanie brought home the Outstanding Drum Majors Team Award as well as several first place ribbons.

# Twirlers Sparkle During Halftime

Racy

Sylvia

**A**dding sparkle and pizzazz to the Tiger band this past year were Tiger twirlers Racy Haddad and Sylvia Ortiz. This past year they twirled individually, each doing her own thing. The reason for this change was because it saved a lot of time and avoided misunderstandings.

Last summer both girls attended Camp of Champs held at Eastern New Mexico University at Portales. They did very well at representing El Paso High as they returned with a first place trophy for overall best majorette squad at camp and the superstar award. Racy and Sylvia each won ten superior ribbons.

Under the direction of Mr. Ken Capshaw, forty B-Band members practiced and played music varying from the school pep song to concert music

Members ranged from eighth to eleventh grade and for most of them it was their first year in a band. The main goal for the B-Band was to learn how to improve themselves and to get ready to play in the Varsity Band next year

## Choir Hits The Keynote

Under the direction of Mr. Richard Hawley, the Varsity Choir made many appearances before the public. In October they performed along with four other schools at the Choral Festival at Austin High School. On December 11, the choir sang Christmas carols during the lighting ceremonies in San Jacinto Plaza. In the Parade of Choirs held December 13 at Technical Center, choirs from each school participated.

Many of the choir members were participants in the production "The Sound of Music." Racy Haddad played the part of Maria and Melanie Robberts played the part of Leisel, which were two of the leading roles.

Aaa.igiii!

This year the choir captured the interest of the boys in school and the base section increased in number while the tenor section decreased.

Members of the yearbook staff experienced many innovations producing the Spur. Production of the yearbook is never an easy job. This year the staff had our fourth advisor and a lot of other changes came into play. To afford a 9x12 book, they went to a paste-up program where staff members did most of the work in producing pages and fitting pictures to size to save money.

dreds of hours spent after school late into the nights, weekends and holidays in producing the yearbook made the 1978 Spur very special.

Since most of the staff is new, the book contains a lot of fresh ideas in creative magazine layout design, picture locations, copy and more color than ever due to the great response of our clubs under a new color program called Portrait Panel, designed for schools who want more color. After a lot of arguing between the editors and the yearbook representative, Mike Higgins, the program was modified to suit our wants.

## Always After The Big Scoop

The Tatler underwent major surgery this year and from the reaction of its readers, the surgery was quite successful

Some of the changes included a new nameplate, an increase in the number of pages, full color for the first time and a number of new columns

Other changes included a larger staff, a new advisor, Mr. Hector Castelo, and two new photographers. Both the advisors and the staff dedicated long hours working on the newspaper and the result was one of the best newspapers in town

In March, several staff members attended the Interscholastic Press League convention held in Austin

The Tatler was headed by Tri-Editors Allen Gilmer, Lynn Thompson and Raquel Rodriguez. Club editor was Becky Murrillo. Martha Briseno, Jackie Jordon, Syliva Molinar, Anita Pollard, Debi Pusey and Kim Strauss comprised the reporting staff. Photographers were Ralph Chavez, Doug Garcia and Susie Stapleton

# Inspections Cause "Ten-Shun!"

This year was a year of change for the ROTC department. The two new advisors, Major Joe Moore and Master Sergeant Ralph Moreau, initiated many new programs for the department. Running the battalion was Cadet Lt. Col. Donald Lloyd and Cadet Major Cindee Aguilar was the battalion executive officer. Cadet Major Charles Abernethy was the battalion adjutant.

The inspection season started off December 12 when Major James S. Gaines inspected cadets during their ROTC class period. A similar inspection was held on the football field with band participation February 3. The main inspection of the year was the Annual Federal Inspection featuring inspectors from Fort Riley, Kansas.

## Color Guard Leads The Troops

The Color Guard started off the year under the leadership of Cadet Capt Chuck Viardal. The Color Guard Commander is Cadet Major Luz Ramirez. Members of the male and female Color Guard are Martha Ituarte, Patsy Garcia, Bertha Ramirez, Edna Arredondo, Irma Soto, Manuel Torres, William Veck, Manny Anchondo, Danny Guillen.

The Color Guard participated in all PTA ceremonies as well as school assemblies, football games and local parades. The grand finale of the year was when the Color Guard got together with all the other Color Guards in the district to present colors at the Annual Review and Drill meet held at the end of the year.

# Cream Of The Crop

The Officers' club was chaired by President Elizabeth Juarez. Vice-President was Donald Lloyd with Luz Ramirez and Irma Soto serving as secretary and treasurer respectively.

The Officers' club included among its activities the planning of the military ball, and other projects. The Officers' club also promoted friendly relations within the battalion staff and created good feeling between the NCOs and officers.

## Administrators.

### ...Leading The Way

Spearheaded by Principal Burton Johnson, the administrative staff proved not only to be strong and assertive when the situation warranted it, but just as important, it demonstrated compassion and understanding when dealing with the problems of students and teachers alike.

During the past years, Mr. Johnson has noticed that "discipline has become more of a problem and parental control of youngsters has weakened. This is reflected in schools that lack the ability to discipline."

The coordinator of guidance and instruction is Mr. David Rodriguez. Commenting on the protestations by many of a return to more traditional, rudimentary courses, Mr. Rodriguez said, "The trend toward returning to the 'basics' in education has had an impact on the quarter system. The entire 'newspaper' (list and description of courses) was revised and courses considered not relevant to a basic education have

been deleted. Because of a public pressure for a return to a 'basic education,' we may see the end of the quarter system within two years.

Mr. William Burnside has the awesome responsibility of handling discipline problems of sophomores, juniors, and seniors. According to Mr. Burnside, the most frustrating part of his job are "students who don't know better because of the way they have been raised and it's too late to change them."

Mr. Manny Aguirre is in charge of eighth and ninth grade students, along with school bus transportation. Before coming to EPHS, Mr. Aguirre was an assistant principal at Houston.

Mr. John Doran, student activities director, handled a wide gamut of responsibilities ranging from cheerleaders, to ice cream sales, skating rink parties and even chaperoning kids to Europe.

"Confidentiality and trust are two qualities of a good counselor, commented Mrs. Beatriz Lopez, counselor. "He or she must also be a good listener and be able to make sound decisions "

Mrs. Yolanda Nesom, counseling department chairman and vocational counselor, also sponsored the Teen Involvement program

Mrs. Mynette Harding, Mrs. Beatriz Lopez, and Mr. James Smith handled a host of duties as counselors. They included scheduling, as well as group and individual counseling and guidance. Working with teachers, parents and various agencies, the advisors strove to help students cope with their problems

Counselors were aided by clerk-typists Mrs. Sylvia Resendez, Mrs. Shirley Rice and Mrs. Hazel Stulce. According to Mrs. Nesom, the clerks "took a load off our back. They handled all paperwork and miscellaneous duties "

The teaching profession continued to become more and more challenging with each passing week. As the caliber of student improved, so too did teachers constantly continue to improve their methodology and knowledge of their field.

And yet, amidst a world rapidly becoming more and more technological, computerized and dehumanized, successful teachers continued to remain compassionate and conscious of individual differences and potentialities, making allowances for both.

Honoring one of their own, teachers elected Mrs. Judy Ridley Teacher of the Year. The English, reading, and ESL teacher believes the most important part of a teacher's job is to challenge a student and having him accept it and ask for more.

Mrs. Ridley expressed a close attachment to EPHS students, having graduated from this school several years ago.

# Staffs' Aid Indispensable

Responsible for selecting, organizing, and circulating materials in the library were Miss. Geneva Guider, Mrs. Esther Carrasco and Mrs. Clara Jones. They studied the needs of classes, pupils, and teachers and assisted them in research, indepth-study or in pleasure reading

Attendance office clerks handled a variety of problems such as recording attendance, handling phone calls, writing entrance and tardy passes, passes from the building, drops, transfers, and turning in a school membership every six weeks

Mr. Grady Tyson, bookroom clerk, took charge of requisitioning books from the textbook warehouse, issuing textbooks requested by teachers, maintaining inventory of books and performing printing operations

Mrs. Irma Juarez handled the computer room while Mrs. Anita Berry took on the task of Registrar.

Mrs. Carmen Prieto, business manager, tackled an array of business transactions ranging from ticket sales to club finances and the school's ledger

Our custodial staff did a tremendous job keeping our school in spic-and-span condition. During the first part of the year, their job was made more difficult than it usually is as workmen remodeling the auditorium continuously carried dust throughout the building. But dust, dirt, and mud didn't prevent our maintenance crew from doing their job and doing it well. Andy and his staff went out of their way to help our teachers, administrators and students by bringing in extra chairs or desks, safekeeping the building, opening jammed lockers and by solving a multitude of other problems. The crew was headed by Mr. Andy Salcido.

Preparing food and feeding several hundred kids a day wasn't exactly the world's easiest job, but our cafeteria staff tackled the problem very handily. They offered two and sometimes even three complete meals and a variety of treats at the snack bar. The staff was once again under the supervision of Mrs. Idonna Trotter

## Officers Strive For Junior Involvement

Leading the Class of '79 this year were Trisha Pitchford, president; Christy Cornwall, vice-president; Laurie Venegas, secretary; Sandra Saucedo, treasurer; Valerie Gillett and Raquel Rodriguez, yell leaders

This year the Junior class got ready for the prom by selling Christmas and Valentine messages, and sponsoring some of the many skating parties. For the first time, the Junior Senior prom was held at the Top of the Inn

Among the activities the Juniors held included making posters for the Junior section to hold at the pep assemblies.

Raul Sifuentes was a first-string half back on the varsity football team and a member of the National Junior Honor Society.

During his offtime, Raul enjoyed playing guitar and listening to music of the past, especially the Beatles.

Christina "Teen" Provencio spent her leisure time painting and playing tennis

At home, Teeni whiled away the hours watching her favorite T.V. program, Baretta, and listened to 'Boston' music

Dear Bob,

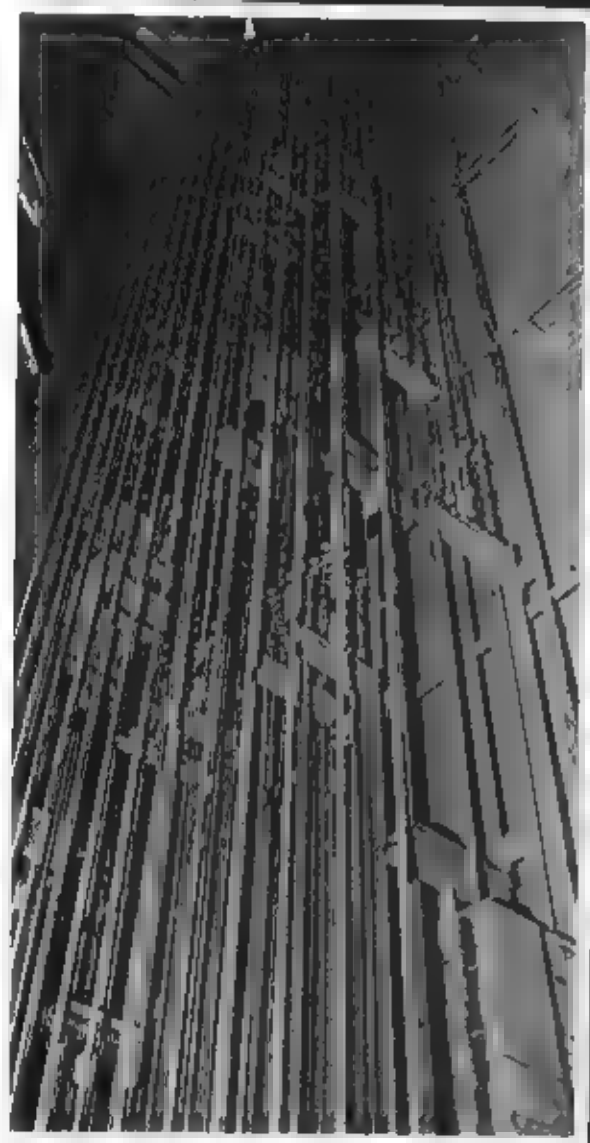

This has been a 'heavy'  
year (in David's words!)!!!!

We do have a great  
men's section & even though  
Alex & Jane are leavin', I  
think I'll be even better  
next year (I think <sup>the</sup> whole  
choir will even be better!!)

It's been really great &  
I'm lookin' forward to  
performing with you next  
year. Have a great summer  
& don't drown in the  
pool because I'd drown trying  
to save you! Take care &  
God bless. Your friend,  
Jimmy 79"

# 61-Year Old Auditorium

# Gets A Face Lift

After nine months of work, our auditorium was rejuvenated, giving it a clean, fresh and modern look.

Renovation started April 18, 1977 when the doors were closed and the whole auditorium was gutted. The interior was enhanced by replacing the old wooden chairs with new molded plastic ones. This means no more splinters. A foyer was added and the stage was extended 14 feet in a fan shape. The floors of the auditorium and foyer are tiled and the aisles carpeted in red. The walls were repainted a pale yellow and an acoustic material covers the old interior window area. New curtains were installed on the stage and the brass railing on the balcony was polished bright.

Behind the scenes, new lighting, air-conditioning and sound systems were installed. Boys' and girls' dressing rooms with lighted

mirrors, showers, sink and lavatories were built on the floor below the stage. A prop room was also added.

The whole project cost a little over \$600,000. In comparison, the renovation cost \$100,000 more than it did to build the entire school in 1906.

1237 people can be accommodated in the new auditorium which will be the center for performing arts staged by schools in the El Paso Independent School District and other organizations.

Superintendent J.M. Whitaker of the El Paso Public Schools stated that for the longest time he has had a dream of a theatre for the performing arts for all the schools to share and enjoy. He couldn't have chosen a more beautiful building in which to make his dream a reality.

We had a general idea of what we were getting into, but never imagined putting in an average of 2200 hours, starting from March '77 through March '78

All the weekends, staying after school til midnight, Thanksgiving and Christmas holidays was worth the ultimate reward, what we be-

lieve to be the best yearbook El Paso High has ever seen.

We owe alot of people thanks. Most of all our advisor, Mr. Hector Castelo. He was a tremendous help in every way. His lack of knowledge in the beginning was soon replenished. His high spirits and jokes kept everyone going as the hours grew long.

From Jostens American Yearbook Co., our thanks go out to our representative Mike Higgins, plant consultant Howard Youngberg, and plant artist Steve Stiffler.

We would certainly be amiss if we did not thank the administration and faculty, especially when it was time for retake after retake. Last but not least:

# COLOPHON

**1978 El Paso High School SPUR:** This is the 62nd consecutive Spur published. 800 spring-delivery copies were ordered from Jostens American Yearbook Company, Box 795, Topeka Kansas, 66601. The book contains 256 pages using the offset-litho printing process. Base color was black on dull 199 80 lb paper. For the first time in three years, the staff pasted-up the pages themselves, our first paste-up from Jostens

The cover was a custom screen, red-orange 365, on a black 535 styleline material. The design was thought of by the co-editors and submitted to the plant artist for modification, suggestions, and reproduction. The endsheets are black 180 lb. burnt-orange 297.

Copy throughout the book was News Gothic, #11 Body copy was 10 pt., caption copy was 8 pt., tab-folios were 18 pt., and headlines were 30 pt. All decorative headline were 36 pt. Chartpak lettering hand set by staff members. Copy in the opening and closing sections was 12 pt. unjustified right. Type for the cover, Title Page and Division Pages was Formatt 'Minnett Mystique' hand set by the co-editors

This year's color was Portrait Panel', a color program offered by Jostens for groups and clubs; opening section color was 'Pro 16', a program that offered one full signature, 16 consecutive pages, of color

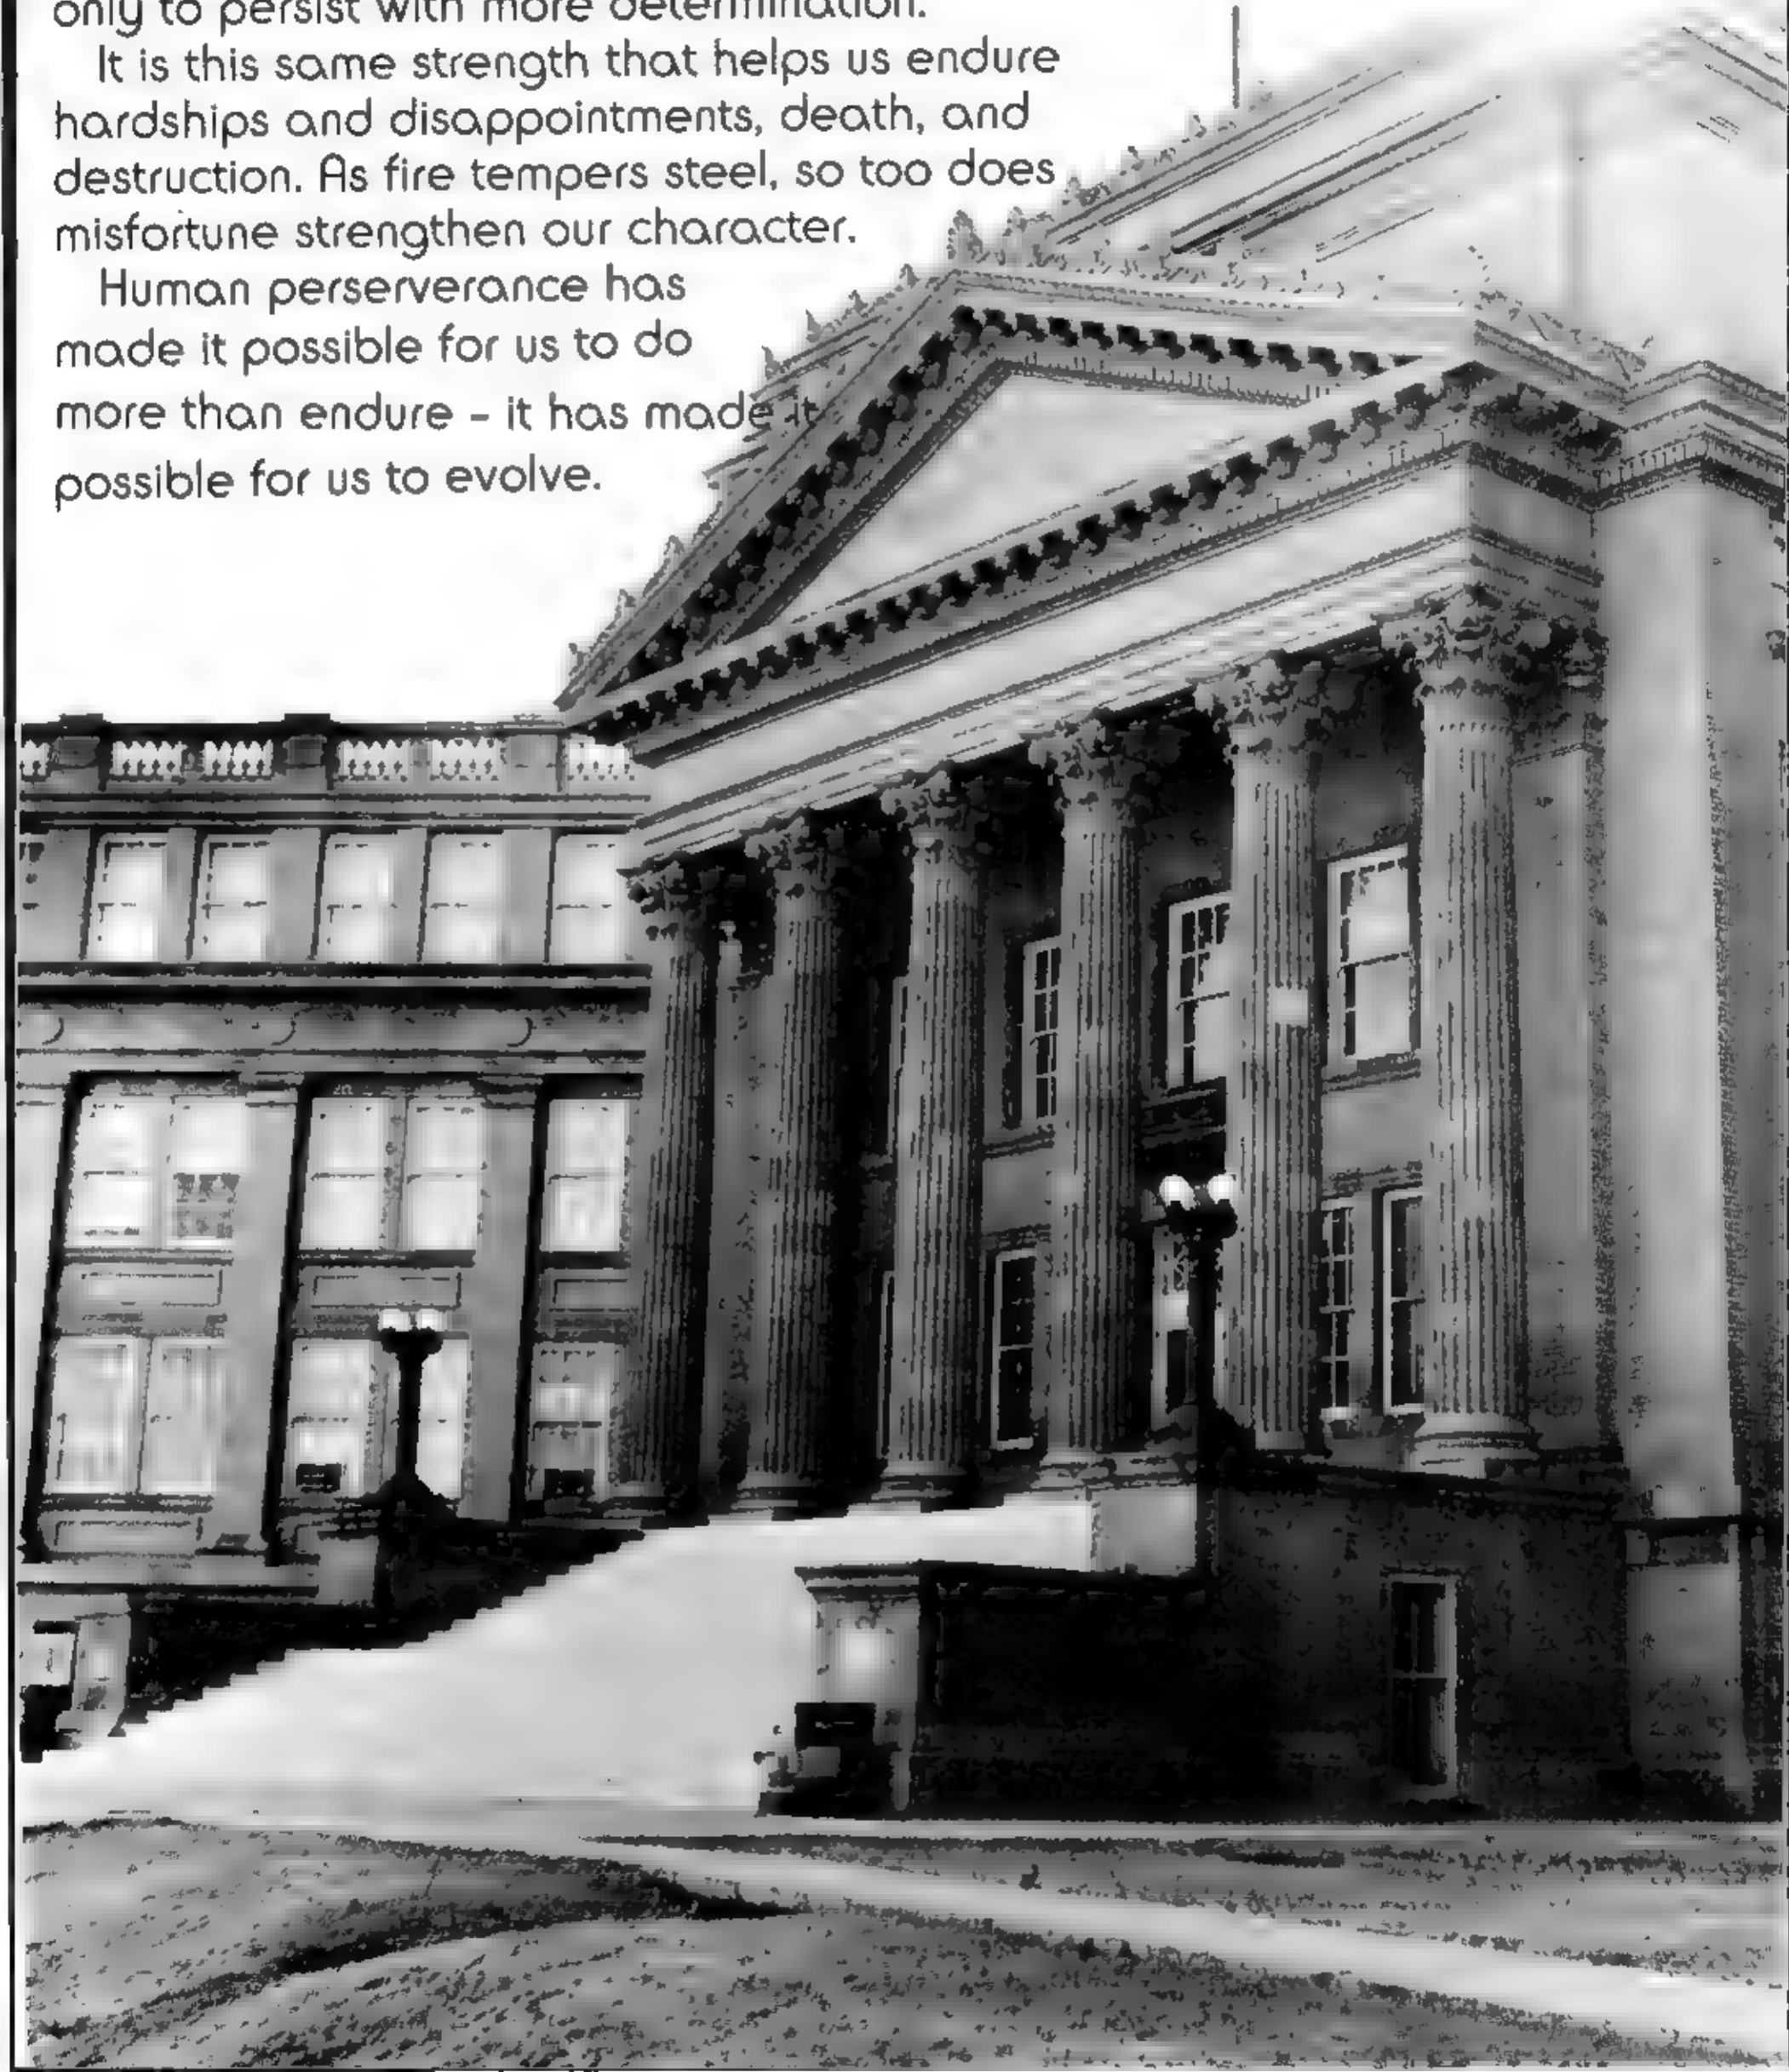

All portraits were taken by Popular Photographic Studios

This year we dedicate our yearbook to human perseverance - that God-given inner strength that allows us to face adversity and experience defeat, only to persist with more determination.

Dedication 256

It is this same strength that helps us endure hardships and disappointments, death, and destruction. As fire tempers steel, so too does misfortune strengthen our character.

Human perseverance has made it possible for us to do more than endure - it has made it possible for us to evolve.

Rolf -

I hope you had a  
Bad year!! Remember all the  
Bad times we've had at those  
kiss me and I sneezed! Also, <sup>I remember</sup> the time when  
you burped when you walked me to the door  
and tried to kiss me. That was an awful taste.  
It must have been those onion rings and garlic  
you had with your dinner. I was hoping we could  
have baby orangutan, but if that was just a kiss,  
just imagine what it would be like to go further  
than a kiss! We would have many <sup>nightmares</sup> ~~stories~~ to  
tell. But just think, we did it TOGETHER!

Love your one  
and only (3 of 121  
cousins)

Call me  
When you  
feel like it

ecirual..

P.S. Well all  
 kick ass next year  
 at all-state try-outs  
 my please remember about  
 my tuffy tostada & my  
 Tace!!

Dear Rolf,

What can I say? I'm going to miss you alot next year, when you're here, and I am in Austin! We've had alot of fun together, and alot of strange times. They all were fun in their own way. Remember Jempe - when we ate at Monty's and walked up to the campus and sat in the park during the concert. And going to the movies and then to the park, and your ONE letter to me this summer, and of course that phone call at 4 o'clock when you woke up my poor roommate. And of course my surprise party with my "diamond" necklace.

And then you dating your little box of breeze, and who can forget your times with Lauren Newirth (the choir pro).

Remember that guy at Gasoline Alley who sang all the crude songs (you've got a nice ass, Lucille)? And your Christmas present with all the assorted paraphernalia? And Sound of music rehearsals.

And who can forget the cest party between the Mountains.

And then you being the regular patient in Sun Towers and ~~the~~ Providence - and you always being asleep when ever I visited you.

And of course your coloring book.

Then Portales, it was fun, but concerning friendship, it was not the best. And then Madwoman, when you were typecast - penny money - and the great rehearsals with Mrs. Becker being so proud of us for knowing our lines so well. And getting beers out of your car.

And then Choir. Oh god, Choir. Hawley nearly made me as loony as he is. What with "Responsibility" and y'all going to Europe next year, like we're going to Moscow.

Well, that's about all of it, and though you're one of the crudest persons I know, I still love you. Remember me, as I'll try to remember you - that is with fond memories. Try to forget all the times we fought and said awful things to each other, but remember the good, and WRITE ME!

Love ya.

Yvonne

Rolf  
How the hell are you? I hope you had fine year and that you had a fine summer. Keep in touch, please. Don't keep on honkin'. I see ya in choir next year and maybe at Kinab.

Love,  
Christy
